WHAT THE SHOPS ARE SHOWING

A cold November morning becomes as cheerful as Spring when breakfast is eaten in a bright cozy breakfast room, and if we realized the importance of environment, we would make a persistent effort to have our rooms beautifully papered, saving rather on less essential things in order to give the home the best possible appearance.

SIMPLY BREATHE IT

That's the Way You Use Hyomei, the Simple, Safe and Effective Catarrh Remedy

The most pleasant, easiest, safe, effective, and the really sensible method for the treatment and cure of catarrh is Hyomei, which can be had from any drug store.

When using Hyomei every particle of air that enters the breathing organs is charged with an antiseptic, healing, health-restoring balsam that destroys the catarrh germs, stops the unclean discharges from the nose, relieves the irritation, and quickly heals the sore, raw and inflamed tissues.

The first day's use of Hyomei will show a decided improvement, no matter how distressing the trouble. Its action is not only rapid but lasting.

There is no more common yet dangerous disease than catarrh, which usually begins with a neglected cold. Do not neglect your health by letting your catarrhal trouble become chronic. Begin the Hyomei treatment today—it is inexpensive, safe and reliable. H. C. Kennedy always sells it with agreement to refund the money if it does not give complete satisfaction.—Advertisement.

WHAT THE SHOPS ARE SHOWING

Goedet's Sons Bois powder is just \$1.50. It is one of the most delightful of the many excellent face powders on sale at the Gorgas Drug Store.

They are also showing very fine powders at 50 and 75 cents a box which may be obtained in any desired tint. When carefully applied these powders will do wonders in improving even the most unlovely complexion.

PRETTY FEET

Short skirts have made footwear the most noticeable part of a woman's costume, and those whose feet are a trifle larger than they would like can still make them look well by wearing well-made and well-fitting shoes, while the woman with small feet will find in this season's opportunity to show them to advantage by wearing pretty shoes.

The Walk-Over Boot Shoe, 226 Market street, among their many new and attractive models is showing an smart buttoned shoe, of very fine dull leather, with the new short vamp effect, and medium heel—a model which is both sensible and stylish for walking and street wear. The price is \$4.50.

WARM AFGHANS

At the Woman's Exchange, Third street at Herr, where the interesting yarn demonstration under the personal direction of Miss McCleary, is now in progress, some beautiful cashmere afghans are shown, and the customer who buys her yarns there is given free instruction and assistance in beginning this or any other article. Charming color combinations may be selected and the warm tones shading into lighter tints in harmonious design, make beautiful couch afghans, which would add immeasurably to the cozy appearance of the living room.

The difficulties in making borders or in combining colors are simplified by practical demonstration.
