Church day will be observed next Wednesday by the fifty-one churches operating in the Stough campaign.

Beginning at 10 o'clock, special services will be held throughout the day in nearly all the churches in the revival movement.

One big feature of the day will be in the evening, when from the various churches the congregations will march to the tabernacle, where Dr. Stough will preach a sermon especially to church members.

Pine Street News.—All services will be held in Pine Street Presbyterian Church on Sunday at the usual hours.

The mothers' work at Bethany and Pine Street has started most favorably for the winter's work.

Memorial Vespers.—Memorial vespers for the deceased members of the German Roman Catholic Knights of St. George will be held at St. Francis Church to-morrow evening under the direction of Harrisburg branch, No. 168.

Lord's Supper in Churches.—The celebration of the Lord's Supper will be observed in two churches to-morrow.

Home Mission Day.—Home mission day will be observed to-morrow in the Memorial Lutheran and St. John's Reformed Churches.

Service Monday Night.—Special preaching services will be held Monday night in the First Baptist Church during the Stough campaign.

ENDORSE SANITARY WORK

Veterinarian Addresses Alicks Men on Foot and Mouth Disease

Unanimous endorsement of the work of State Veterinarian C. J. Marshall and the State Livestock Sanitary Board in its concentration of the livestock industry of the state was given last night by the Alicks Association following an address by Dr. W. S. Gimper, director of the division of milk hygiene of the state board.

The association held a regular meeting at St. Andrew's parish house and Dr. Gimper had been invited to give a talk upon "The Foot and Mouth Disease." In discussing the outbreak he gave a brief summary of the preventive and protective work of the board generally.

On November 27, the night after Thanksgiving Day, the Alicks Association will hold a social evening.

What the Women Are Doing

The women of the Red Cross are nursing, cheering and comforting the wounded or dying. The women of Europe not only wrap bandages and scrape lint, but they tend the farms, dig coal, carry burdens and do the work of the men now under arms.

When the problem of housing the men of the Stough party came up, Mr. Booth offered the use of his parsonage at 216 Pine street. The committee accepted the offer and the party is now housed at Mr. Booth's home.

Patterson, and if necessary, a third meeting will be conducted in the Grace Methodist Church by W. W. Shannon.

Meetings for Men and Women

The biggest feature of Sunday probably will be at the tabernacle at 2:30 o'clock when Dr. Stough will give a confidential talk to men on "Red Lights and Searchlights." The children's "booster choir" will sing at the opening of this service.

Another great meeting is expected for to-night when the evangelist will preach a sermon of strong appeal and make the "Red Lights and Searchlights." The regular service will be held at 9 o'clock promptly after which the concluding service for the converts will be continued for an hour.

Thousands Crowd Into Aisles

Another remarkable demonstration of the evangelist's power over his audience was given last night, when at 7 o'clock for all the earnest Christians who are praying for the success of the campaign, to crowd into the aisles and at the front of the tabernacle, more than three thousand responded to the appeal.

Dr. Stough Leads Outburst

Sorrowing mothers prayed for lost sons and unhappy wives for their husbands, who had been missing for some time. Dr. Stough led the outburst. The spirit of the moment urged on to powerful speech persons who at other times would be too timid to speak.

Decries Lack of Sympathy

Dr. Stough's sermon was on the text, "No Man Careth For My Soul," and was a strong discourse on the lack of Christian sympathy and help from so-called Christian people to the unsaved.

Temptations of Youth

He spoke of so many boys gone crooked whose fathers had never given them any advice to guard from the pitfalls of city life, and of girls in trouble whose mothers had never given them any advice to guard from the temptations to be encountered by youth.

Many men may be using you as an example to guide them in some of their actions. Does the example you show them lead to the church on Sunday?

STOUGH CAMPAIGN NOTES

It has been customary of the Stough campaigns to have all Sunday schools co-operating with the movement to hold their sessions Sunday mornings.

Dr. Stough will preach on the subject, "The Three-fold Resurrection" to-morrow morning at the tabernacle.

Four stenographers are now employed at Stough headquarters, 26 South Third street.

Among the visiting ministers on the platform last evening were the Rev. A. Lehman, United Brethren, Palmyra; the Rev. A. S. Lehman, United Brethren, Hummelstown; the Rev. F. E. Erdman, United Evangelical, Reading; the Rev. C. D. Huber, United Evangelical, Lebanon; the Rev. H. D. Kreidler, United Evangelical, Lancaster; the Rev. J. B. Hutchins, United Brethren, New Cumberland; the Rev. M. I. Jamison, United Evangelical, York.

"You Can't Fool God"

"I wonder," he said, "what your religion means to you? You look respectable when plumed up for church on Sunday but you can't fool God with that kind of religion. What has it stood for? Are you one who has stood against not only wrong but all appearance of wrong? Are you concerned body and soul to the things that Jesus gave his life for? How many souls have you won for Christ? How many have you tried to win? Have you ever tried to win the man who works by your side? Or are you one who cares not?"

Dr. Stough then made his plea to those in the audience who had loved ones, relatives, friends or neighbors for whom they were praying, and asked for raised hands. Thousands responded, and he asked all these to move forward to indicate their sincerity of heart, and to spend five minutes in prayer for those they had in mind.

It was after this praying was started that the great irresistible wave of prayer started over the standing host, and the evangelist was unable to stop

York; the Rev. R. R. Rodes, United Brethren, York.

The offering for Thursday afternoon amounted to \$22.75; evening, \$261.75; total, \$284.50. There were 3,040 pennies in the offering.

Charles A. Shaffer, of Berwick, a member of the Legislature, was on the minister's platform last night.

Call has been made for 200 volunteers to aid in the building of 600 additional seats in the Stough tabernacle on Monday.

REV. BULLITT HAS PNEUMONIA

The illness of the Rev. James F. Bullitt has developed into bronchial pneumonia and he has been compelled to cancel all engagements for an indefinite period.

Arrangements have been made for carrying out the scheduled services at St. Andrew's Episcopal Church and for carrying on the parish work generally.

The Rev. O. H. Bridgman will celebrate holy communion at 8 o'clock to-morrow morning; the morning prayer service will be conducted by a lay reader, and the Rev. Rollin A. Sawyer will conduct evening prayer.

BELIEVE CITY TAX COULD BE REDUCED

[Continued From First Page]

their calculations on the past receipts and expenditures.

Figuring It Out

For instance, it is pointed out that in 1913 the city's tax rate was nine and a half mills and the budget totaled in the neighborhood of \$528,000.

In the present year the budget totaled about \$509,000 for a nine-months year and in this sum the city provided for some \$55,000 for paying paving assessments in front of nonassessable properties, etc.

The \$55,000 set aside for this purpose has wiped this debt from the city's books, so that a like amount need not be counted upon for the ensuing year. To help offset this, however, there will be an additional three months of salaries and other running expenses to provide for. But on the other hand a slight increase in valuations can also be counted upon.

By costly experience the city fathers have learned the mistake of calculating upon too close a basis, it has been pointed out, and under these circumstances it is just possible that the present rate of nine and a half mills may be retained. However, it is understood that the commissioners in fixing the rate for 1915 will endeavor to lop off a quarter or perhaps half a mill.
