## Grand Opening of TOYTOWN To-morrow

This way, children! One and all! Once again, Old Santa has wielded his magic wand and "Presto,"—a great big Toy Town full of every kind of toys for good little girls and boys now await you. To-morrow is the day. Every child will want to come to this wonderful place and bring its parents who might also want to see what Santa has sent this year. There'll be lots of fun for everyone, and especially the children are invited to come and have a glorious time. The shoot-the-chutes will attract the attention of many, and unless Santa disappoints us, there will be a letter from him to all the little folks, at the Santa Claus Post Office in the basement. Dr. Fixem is the man who cures the ills of all dollies and he will be glad to receive all patients needing attention. See the wonderful display of mechanical toys. Many new ones this season are shown, and also games, wild and woolly stuffed animals, dolls, and everything that goes toward making a complete Toy Store.

## Children! Would You Like to Win a Prize?

We are going to give every child in Harrisburg and vicinity an opportunity to win a handsome prize, absolutely free of charge, by simply drawing.

**A Picture of Santa Claus**  
All children between the ages of five and fourteen will want to enter this contest, and each will be allowed to make one drawing of Santa Claus, either in pencil, ink or colored crayon.

**The Public Will Decide the Winners**  
All drawings will be displayed on the Fourth Floor, and each visitor to the store, over 15 years of age, (regardless of whether they buy or not) will be entitled to one vote, with each visit. You can help get votes for your drawing, by asking your friends to vote for your number.

Only one drawing from each child may be entered. This you must bring to the store not later than December 5th.
