STEELTON'S FOOTBALL TEAM

When the final whistle blew Saturday Steelton's football players, sore in body and spirit, returned home feeling that they did the best they could and with a determination to make an early start for next season. The team representing Steelton high Saturday pictured above included the following:
Top row: left to right: Rupp, right halfback; Wolfe, left halfback; Konklin, left halfback; Wrenn, left tackle; Crump, right tackle; Levitz, left guard; Morrett, right guard.
Center row: Crowley, left end; Norris, center.
Bottom row: Wushinsky, guard; Eckenrode, right end; Gardiner, fullback and captain; Dayhoff, quarterback; Hoffer, sub-linesman.

3 STEELTON PLAYERS HURT IN LAST GAME

Norris May Have a Broken Jaw; Captain to Be Elected Next Week

Although Steelton's high school football team went down to bitter defeat in front of Tech's superior machine Saturday, the loyal followers of the team here are not dismayed. Saturday's game ended the season for Steelton and already attention is being turned to next year's work.

The game Saturday was bitter for Steelton in more ways than one. Three of her pluckiest players were badly injured. John Norris, the mainstay of the line and one of the team's headiest players, will go to the Harrisburg Hospital this afternoon to have an x-ray examination made of his jaw. It is believed that his jaw is fractured. He is also injured about the back and shoulders. Harry Dayhoff, the plucky little quarterback, who is one of the team's best scorers, has a badly wrenched hip and a bad shoulder. Captain Gardner is also suffering from a painfully sprained and bruised left hip.

There is already much talk about next year's captaincy among students and players. Three men are mentioned as possible candidates. They are Norris, Wolfe and Phillips. It is more than likely that Norris, who throughout the season played a brilliant game at center, will be chosen. He is a heady player and is popular among his teammates. The election will likely be held early next week at the conclusion of the tri-monthly examinations.

Brings Hair to Squire to Prove Her Charges

Carrying a large handful of hair, Mrs. Mollie Bolling, of 352 Ridge street, walked into the office of Squire T. V. Gardner this morning and asked to have her sister, Mrs. Adda Hunter, arrested. Mrs. Bolling further asserted that her sister's action was unprovoked.

LUTHERANS WANT NEWVILLE PASTOR

The Rev. G. N. Lauffer Will Get Call to Fill Pulpit of St. John's Church

A unanimous call to become the pastor of St. John's Lutheran Church, Second and Pine streets, was extended to the Rev. George N. Lauffer, pastor of the Lutheran Church at Newville, by the congregation yesterday.

The Rev. Mr. Lauffer will be notified of the call by Frank B. Wickersham, president of the church council, to-day and his decision whether or not to accept the call will be announced to the congregation here just as soon as it is made. It is believed the Rev. Mr. Lauffer will accept.
The pulpit of St. John's is considered one of the most important in Steelton and the Rev. Mr. Lauffer was selected from a large number of applicants. The pulpit has been vacant since the resignation of the Rev. Dr. M. P. Hoeker, who quit October 1 to become superintendent of the Emaus Orphans' Home at Middletown. Dr.

Hoeker was pastor of St. John's for thirty-three years.

For four years pastor of the Newville Lutheran Church and for seven years prior to this pastor of a church at New Oxford, the Rev. Mr. Lauffer is held in high esteem by his congregation, and it is possible that a strong bid will be made for his retention. He is a graduate of the Gettysburg Theological Seminary and is a classmate of the Rev. A. M. Starnes and the Rev. S. Winfield Herman, of Harrisburg.

MRS. ELIZABETH HOFFER DEAD

Mrs. Elizabeth Hoffer, 78 years old, died at her home, 146 North Second street, last evening of a complication of diseases. She is survived by one son, Jacob H., at home. Funeral services will be held Wednesday afternoon at 1 o'clock, from the house. The Rev. Dr. M. P. Hoeker, of the Emaus Orphans' Home, Middletown, will officiate. The body will be taken to Churchtown by Dunkle and Knoderer, undertakers, where burial will be made.

RAPID PROGRESS IN PARK EXTENSION NOW

Over Two-thirds of the Buildings Have Been Torn Down and More Will Follow Soon

Just 328 of the 527 buildings in the Capitol Park extension area have been torn down and their sites filled up level with the street, and about a fourth of the remainder or probably a few more are now owned by the State and will be removed during December or when certain periods of occupancy have expired. The State is using seven buildings in the district to take care of offices for departments, commissions, bureaus and boards for which no room can be found in the State Capitol and in several instances part of the agreement of sale was that certain occupants could use buildings they sold to the State until their new plants could be prepared. This was the case with a couple of the churches. Three churches remain to be acquired. The Board of Public Grounds and Buildings has received the deeds for several properties from the Capitol Park Extension Commission and will have a sale of buildings shortly, which will be the last sale before Spring. The commission in charge of the purchase has been working quietly, but has thus far acquired approximately 400 properties without a single case being taken to court.

and unemployment projects will also

be discussed at various meetings and sentiment ascertained in advance of the meeting of the legislature.

More Complaints.—Over a dozen complaints against the proposed increase in rates for passenger tickets and the abolition of trip tickets were filed with the Public Service Commission to-day and the senders will be asked if they care to make formal complaints and to ask hearings. Most of the complaints are from residents of the vicinity of Philadelphia, who contend that the order will work a great hardship upon them, and some say that they will be forced to move into the city. A complaint was also received to-day for the first time from Allegheny county.

Changes in Reports.—Changes have

been made in the forms of reports required of Pennsylvania corporations by the Auditor General's Department so that they will conform to a number of reports made to the Interstate Commerce Commission and the Federal income tax authorities and the Pennsylvania Public Service Commission. These changes are especially in the blanks for reports by manufacturing, transportation, light, telephone, telegraph and similar public utility companies. It is the idea to have a number of additional changes made next year so that the taxation reports will be uniform.

After Fire Data.—Forest fires have

again broken out in over a dozen counties of the State and the State Forestry authorities have sent instructions to fire wardens, foresters and all persons connected with the Forest Service to ascertain the causes. The fires this year have been unusually numerous, and while comparatively few of them have been of great extent and have damaged timber, yet the appearance of so many has caused a desire to find out the cause. Many of the fires reported have not reached proportions beyond brush fires, but some have licked up valuable tracts of woodland, especially in the Cumberland and Juniata valleys.

No Trouble at All.—State Live-

stock Sanitary officials report that the enforcement of the quarantine for foot and mouth disease has proceeded very satisfactorily and that they have no cases of arrests to report for violation. Efforts to ascertain the cost are now being made.

Palmer's Account.—Congressman A.

Mitchell Palmer to-day filed his expense account for his campaign for United States senator, showing that he had expended \$2,556.17 and had received \$1,715. The contributions included W. A. Dickson, \$500; C. H. Dickerman, J. F. McGovern and C. F. Jenkins, each \$100; E. Passmore, \$350; J. F. Speer, \$50; Grant Dierbt, \$150; H. C. Turner, \$50; James Fitzerald, \$50; Charles Kuhn, \$10. Mr. Palmer's chief expenditures were for clerk hire, traveling expenses, hotel bills and advertising. The account of the Per-

sonal Liberty party finance committee

was filed by George W. Allen, of Chambersburg, showing \$726.22 contributed by the German-American Alliance. The expenditures amounted to the same and the bulk was for clerical services, messengers, dissemination of information and printing.

Judges Named.—Governor Tener to-

day appointed judges to fill vacancies caused on the benches of Montgomery and Northampton counties by death. John Faber Miller, Springfield township, was named to succeed Judge Henry K. Weand, common pleas judge of Montgomery county, and J. Davis Froehde, Bethlehem, to succeed Judge Henry W. Scott, common pleas judge of Northampton. Both will be commissioned at once.

The selection of Mr. Miller was

made by the Governor himself, the bar of Montgomery county being divided between Mr. Miller and Gilbert Fox. Mr. Miller is 44 years old, a graduate of the University of Pennsylvania, member of the bars of Montgomery and Philadelphia, Republican county chairman since 1910 and a member of the county committee for twenty years.

Mr. Brodhead is a Democrat and

formerly served in Congress from the Twenty-sixth district. Up to \$6,000,000.—Payments of money for school districts and other educational changes to-day passed the \$6,000,000 mark. These payments have been under way since July and 2,486 districts out of about 2,550 have been sent checks.

Big Receipts.—State Treasury re-

ceipts to-day approximated \$950,000 and the prospects are that there will be big receipts the remainder of the month, as the fiscal year closes on November 30. The largest payment was \$310,000, by the Lehigh Valley Railroad; Philadelphia Rapid Transit Company, \$201,000; Lehigh Coal and Navigation Company, \$97,000, and the Pittsburgh Coal Company, \$95,000.

Plans Rejected.—The State Army

Board has rejected the State Armory at Greensburg and Waynesburg have been accepted. Lock Payments.—Harrisburg has been sent its check for \$46,888 for its schools. Milfin township received \$1,025.28 and Newport \$2,035.78. Smallpox at Kane.—Seven cases of smallpox which came from Indiana have appeared at Kane.
