New York, Nov. 23.—Baseball histry is promised when the National League meets next month. At the meeting the new manager for the Highlanders will be named and several important trades will be consummated, one of which will involve the New York Giants.

The Federal League will also be one of the chief topics of discussion among the officials of organized baseball. However, what negotiations organized baseball carried on with the Federal League received a knockout blow when Charles W. Murphy bobbed up as the dominant factor in the Chicago Club.

While it has been denied by the Giants and the Cubs that there is a trade pending between the two teams for the services of Heinie Zimmerman, it is almost certain that the Bronx boy will be one of the Giants in the 1915 fight to regain the National League championship. This is one of the deals that will most likely take place at thp National League meeting.

Arother deal will in all probability be made to strengthen the Highlanders.

ors, There is also a mint of money for the other clubs in the big leagues when either New York Club has a good team, and for this reason Ban Johnson will endeavor to strengthen the Yanks at the National League meeting.

HARVARD'S NEW CAPTAIN Special to The Telegraph Cambridge, Mass. Nov. 23. — With the 1914 season closed successfully by the victory over Yale on Saturday, Harvard football enthusiasts yesterday surveyed the material for next season. Head Coach Percy D. Haughton, in his eighth year as mentor of the Crimson's football teams and the last one under his present contract, will lose most of the men who worked for Harvard's success at New Haven. Only three of the eleven men who started the game will return to college. Fifteen of the Awenty-five players who won their letter will be lost to the

The crack kicking and running half-back, Edward Mahan, is the probable choice for captain to succeed Charles Brickley.

Annyille, Pa., Nov. 23.—The Lebanon Valley Reserve eleven defeated
the heavy Shippensburg Y. M. C. A.
team on Saturday afternoon, by the
score of 51 to 0. Dave Evans, intercollegiate champion record holder in
the sprints, got away from the Shipthe sprints, got away from the Shippensburg tacklers twice for runs from 60 to 80 yards. Eichelberger, a well-known athlete of Oberlin, was one of of the bright stars for the Scrubs, his running and tackling being very pretty. The Scrubs close their season on Thanksgiving Day with the Middletown A. C. eleven at that place.

WEST POINT SNOWBOUND

Special to The Telegraph

West Point, N. Y., Nov. 23.—A serious situation confronts the Army team as it begins the final preparation for the game with the Navy. The playing field is a swamp-like surface, soft and slimy during the day, which freezes up each night. The surrounding ground on the "Plains" is covered with four to six inches of snow, and there is no chance in sight for the Cadets to get any outdoor work previous to the Navy contest unless it gets warmer within the next day or two.
