Xmas Is Just Around the Corner---Start Shopping To-morrow

There Is Always Work For the Worthy

Although this adage has been handed from great-grandmother to grandmother, and on down through the years, it still holds true to-day, and particularly during the Christmas season.

During the next few weeks we shall take on extra help in almost every department, to insure prompt service to our patrons, and invite young men and women to apply to the superintendent.

We prefer young married women who have had experience in store work in the past.

And Now in the Carpet Department Space Must Be Made For Pictures

And in order to condense our stock, we've decided to offer certain numbers of room-size rugs at unusual reductions.

All stock patterns from our regular assortments, and the only reason for this sale is to make room for pictures. We devote a large portion of our Rug Department to holiday goods in December, and must either sell or store the rugs. We have put a price on these rugs that will close them out quickly.

Many proportionate reductions all through the stock in Brussels and Velvet Rugs.

ALL ABOARD For the TOY STORE

All the Youngsters Go Marching to Toy Town-- The Merriest Place in Harrisburg

Mr. Santa Claus has sent to this toy town of joy and wonderment, on the third floor, a variety of toys, dolls, games and the like, such as we have never shown before.

One would think to look at the wonderful display, that it might take from now until Christmas to tell of everything that is here.

Mechanical toys are here in unusually large assortments, and in connection with these are the always popular trains in styles.

Dolls, too, are worthy of special mention, since an entire section is devoted to them. And everything that makes a complete toy store will be found.

The Drawing Contest

has attracted hundreds of little folks, but there is plenty of chance for others. Drawings need not be in until December 5th. Get drawing blanks from Santa Claus Post Office—Basement.

Also ask if there is a letter for you from Santa.

If Towards Comfort You Are Striving--- Buy a Balmacaan

Men can do their Christmas shopping to a greater satisfaction, knowing that their winter needs have been attended to.

You'll be more comfortable, too, clad in one of these smart new Balmacaans. Of course, now you'll be interested in the heavier weights, and these are being shown in a variety of smart patterns.

Loose, swagger lines give them an air of distinction that most men appreciate in outer apparel, and the fact that they will render satisfactory service is a strong point in their favor.

At **\$10.00** and **\$12.00** is a splendid assortment of these coats, and we invite every man to see this showing.

Clever Are the New Form- Fitting Overcoats

Men of ultra fashionable taste have pronounced this new model very distinctive and extremely masculine.

Come inobby patterns, to conform with the tastes of smart dressers.

Priced at **\$10.00** and **\$12.50**
