Man Is Dragged and Run Over, but He Escapes Serious Injury

Special to The Telegraph

. Waynesboro, Pa., Dec. I.—Sheridan Cressler, residing near Waynesboro, was run over by an automobile yesterday and escaped with minor injuries. He was crossing Main street and walked in front of a taxicab. Before the driver could stop the car it had

Everybody Who Used Great Kidney Remedy Obtained Fine Results

At the time I commenced using your Swamp-Root I was so bad that I had to give up work. The pains in my back would be like some sharp instrument piercing my kidneys and I could hardly get out of a chair without help. I finally resolved to give your Swamp-Root a trial and the results were so fine that I have recommended it to others and it seems to produce the same beneficial results with everybody that uses it. I am very thankful to you for your great remedy, Swamp-Root, as I know that it will do all you claim for it.

CHAS. J. SHELDON,

McGraw, N. Y.

Personally appeared before me, this
23rd day of September, 1909, Chas. J.
Sheldon, who subscribed the above
statement and made oath that the
same is true in substance and in fact.

Justice of the Peace. My commission expires May, 1912

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You

For You

Send ten cents to Dr. Kilmer & Co.,
Binghamton, N. Y., for a sample size
bottle. It will convince anyone. You
will also receive a booklet of valuable
information, telling about the kidneys
and bladder. When writing, be sure
and mention the Harrisburg Daily
Telegraph. Regular fifty-cent and
one-doilar size bottles for sale at all
drug stores.—Advertisement.

of the Blain Methodist Episcopal
charge, held communion services at
three appointments of the charge, assisted by the Rev. George Comp, of
Elliottsburg, Next Sunday morning
communion services will be held at
Emory Chapel Church. The revival is
in progress at this place, which will
continue this week, the pastor being
assisted by the Rev. Mr. Comp.

For best heating results burn Rheumatism Soon Becomes Chronic

ing to Expel Poisonous Waste Matter

Tired, over-worked kidneys allow poisonous uric acid to remain in the blood instead of expelling it from the system. That is the cause of chronic rheumatism. The disease gets into some joint or group of muscles and settles there, and only strenuous treatment will dislodge it.

Rheuma softens the uric acid crystals lodged in the joints and muscles, causing the terrible pains, and passes them out of the system through the kidneys and bowels.

All the blood in the body passes

kidneys and bowels.

All the blood in the body passes through the kidneys once every three minutes. Unless it is pure the organs become diseased. Rheuma purifies the blood and the kidneys then regain their natural activity.

H. C. Kennedy and all druggists sell Rheuma at a price so inexpensive that it is folly to be without it.—Advertisement.

UNDERTAKERS

RUDOLPH K. SPICER Funeral Director and Embalmer

WHEN a dealer offers you a substitute for the article you want, tell him what you think of him

TELL him he is dishonest. Then stop dealing at his store and acquaint your friends with his slippery practices. The trouble with most of us is, we treat the substitution evil far too lightly. Substitution is an increasing menace. It is dangerous, because it destroys the ideals of young clerks starting out in life and gives them a wrong conception of business ethics. In nine cases out of ten they want to tell the truth, but the unscrupulous shop keeper insists on deceit for the few dollars extra it puts into his till. Or maybe it's an

intermediate boss, who wants to make a showing. The merchant himself may be guiltless. Refuse "substitutes" or "just as goods" and you'll help to quickly abolish his form of de-

ception. WHEN you ask for an article advertised in this paper, be sure and get it. If the dealer says he is "just out of it," tell him he can get it from his jobber. If he is an accommodating dealer, he will get it for you. If he is not accommodating, try

next dealer. TRONIZE dealers who give you what you ask for.

Lime-Loss in Tuberculosis

In the Journal of the American ledical Association (January 17, 1914) as the following:
"It has been many times stated that a tuberculosis or in the pretubercuosis stage an increased amount of a clicium (lime) is lost both in the rine and feces. In fact, a demineraloutlook has been in fact, a demineral-

lated. Always we have urged users of Always we have urged users of Always. Alterative to attend strictly to matters of food.

In addition to rest and proper diet, some effective remedial agent seems to be needed, and in numerous cases of the seems of t

How to Neutralize Dangerous Stomach Acids

Few people besides physicians realize the importance of keeping the food contents of the stomach free from acid fermentation. Healthy, normal digestion cannot take place while the delizate lining of the stomach is being in-liamed and distended by acid and wind—the result of fermenting food in the stomach. To secure perfect digestion, fermentation must be stopped or prevented and the acid neutralized. For this purpose, physicians recommend getting a little bisurated magnesia from the druggist and taking a teaspoonful in the druggist and taking a teaspoonful in a little hot or cold water immediately after eatins. They recommend on the stomach of the stomach of

BY GREAT FIRES

Statement Issued by Commissioner Shows That Dauphin Was Also a Sufferer

Almost a quarter million of acres of woodland in Pennsylvania were swept by forest fires between January 1 and November 26, according to a compilation issued at the State Department of Forestry. The estimated damage was \$45.7.40.80 and it cost in round numbers something like \$16,000 to extinguish the fires. Additional reports are expected to swell the acreage and the loss.

Of the acreage burned over 10,496 were State land, the greatest damage being in Pike county, where the greatest damage was also done to privately owned land. Carbon county came next.

owned land. Carbon county came next.

Between January 1 and July 1 the acreage burned was 72,327, of which 4,567 was on State land, and the loss was \$131,949, while in the second half of the year there were 169,159 acres burned, of which 5,929 acres were on State land, and the loss was \$325,-791.80, the cost to extinguish being \$14,658.75. The damage in the second half was far greater.

The acreage and loss for the second half in nearby counties is as follows:

Private State

Acreage. Acreage. Loss.

Cumberland 7,410 300 \$57,350
