SCALDED BY COFFEE. Harry Rettberg, 35 years old, 714 North Nineteenth street, yesterday was scalded about the face when the lid of a coffee pot blew off. He was taken to the Harrisburg Hospital.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; plus cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
