PERRY COUNTY FRUIT SHOW OPENS TODAY

Splendid Display of Apples, Corn, Potatoes, Beets, Onions, Etc., at Newport

Special to The Telegraph
Newport, Pa., Dec. 10.—To-day the fifth annual show and convention of the Perry County Fruit Growers' Association is on, and everything is moving along smoothly. There are many exhibits, apples in boxes and plates, exhibits of corn, potatoes, beets, onions, all of a fine quality and well worth a look to see. The show is free and everybody is invited to come and see what is grown in old Perry. This afternoon there was a program consisting of the president's address by Daniel Rice, followed by addresses on "General Orchardling" by S. W. Funk, and

Bladder Trouble Causes Terrible Pains

After taking a trial bottle of Dr. Kilmer's Swamp-Root which you forwarded to me, I purchased some from a local drug store and after using three dollar bottles I can truthfully say that I was cured of all the terrible pains I had in my back, side and head, caused by bladder trouble. I had the worst kind of kidney trouble and suffered so that I could not even stay in bed with the pain. Dr. Kilmer's Swamp-Root made me feel just like a new person and I am glad to recommend it to anyone suffering as I did.

Very truly yours,
MISS MARY ARDNER,
807 Washington St. Defiance, Ohio.
Sworn to before me and in my presence subscribed by the said Miss Mary Ardner, this 16th day of July, 1909.
F. L. RAY, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Harrisburg Daily Telegraph. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.—Advertisement.

CLEANSE THE BLOOD AND AVOID DISEASE

When your blood is impure, weak, thin and debilitated, your system becomes susceptible to any or all diseases.

Put your blood in good condition. Hood's Sarsaparilla acts directly and peculiarly on the blood—it purifies, enriches and revitalizes it and builds up the whole system.

Hood's Sarsaparilla has stood the test of forty years. Get it to-day. It is sure to help you.—Advertisement.

An Easy Way to Get Fat and Be Strong

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless "flesh creams," or following some foolish physical culture while the real cause of thinness goes untouched. You cannot get fat until your digestive tract assimilates the food you eat.

Thanks to a remarkable new scientific discovery, it is now possible to combine in simple form the very elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This master-stroke of modern chemistry is called Sargol and has been termed the greatest of flesh-builders. Sargol aims through its regenerative, reconstructive powers to coax the stomach and intestines to literally soak up the fattening elements of your food and pass them into the blood, where they are carried to every starved, broken-down cell and tissue of your body. You can readily picture the result when this amazing transformation has taken place and you notice how your cheeks fill out, hollows about your neck, shoulders and bust disappear and you take on from 10 to 20 pounds of solid, healthy flesh. Sargol is absolutely harmless, inexpensive, efficient. George A. Gorgas and other leading druggists of Harrisburg and vicinity have it and will refund your money if you are not satisfied, as per the guarantee found in every package.

Caution—While Sargol has given excellent results in overcoming nervous dyspepsia and general stomach troubles it should not be taken by those who do not wish to gain ten pounds or more.—Advertisement.

GREAT DAMAGE BY STORM

Special to The Telegraph
Waynesboro, Pa., Dec. 10.—Snow, sleet and rain have been costly on the mountains to the east of Waynesboro. Trees have been broken down and buried the tracks of the railway company between Pen-Mar and the Cascades. The same difficulty has been experienced on many of the mountain roads. Branches and whole trees weighted with the snow and ice had fallen down over them, and residents had to clear off the debris before travelers could get through. Thousands of young trees were snapped off, and the loss to owners of the forest will be serious.

Along the Monterey turnpikes between Blue Ridge Summit and Charman, the destruction of trees was appalling. The fine rows of maples were almost denuded of their branches. Around the cottages shade trees and shrubbery were leveled or badly injured by loss of branches.

The wire service all over the mountain and in all directions leading out of Waynesboro was badly affected. The Bell telephone lines were broken down in many places. Western Union telegraph lines have also been put out of commission.

CAUGHT IN MACHINERY

Nine times out of ten it is poor policy to use the same kind of coal in both the furnace and the range.

If it burns all right in the furnace it will be too hard for the range.

The thing to do if you want to run your house economically is to use the kind best suited for your range and another different kind of coal for your furnace.

You know there is considerable more to the coal business than most people think.

A dealer if he knows his business, can easily recommend the kind of coal that will just suit you if you give him particulars.
