Toy Town, Joy Town, Little Girl and Boy Town

Toy Town is Harrisburg's land of joy, where children smile and little tots jump and frolic in pure delight. It is Santa Claus Land, for here Santa dwells from early in December until time for kiddies to trot off to bed, 'Night before Christmas, when he jumps into his sleigh, gives his whip a crack, and is off to fill homes with happiness and cheer, and gladden the hearts of children.

Wonderful Things, Santa Has Here

Naturally, when Santa makes Toy Town his headquarters, he brings his largest and best stock of toys to make him feel at home.

More Toys In Less Space

Toy Town of to-day is quite different than in former years. Every kind of toy is placed together and kept separate from the rest. This method makes it less crowded, and also simplifies selection.

Everybody Is Invited to Toy Town To-morrow

Dr. Fixem is still receiving doll patients. He leaves for his southern trip on December 19th, after which time no dolls will be received into his clinic.
