Fractional Gains Were Scored by Some Coppers; Undertone Uncertain

New York, Dec. 16. — Reactionary tendencies were again uppermost at the opening of to-day's stock market, the international list evincing greatest weakness. Union Pacific, St. Paul, U. S. Steel and Smelting soon fell under yesterday's lowest quotations. Baltimore and Ohio all shared in the declining movement, together with Reading and some less prominent stocks. Fractional gains were scored by some of the coppers, but Amalgamated pursued an uneven course. Prices strengthened on moderate buying orders, but the undertone continued uncertain.
