Deafness Cannot Be Cured
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous surfaces. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

News Items of Interest in Central Pennsylvania

Special to The Telegraph
Bloomsburg.—Damage that will run into the thousands was done in the home of Paul E. Wirt, manufacturer, here, when one of two hot water boilers in the cellar exploded.

Robesonia.—Thieves entered the Philadelphia and Reading office of M. D. Swelgard, signal maintainer, and stole 1,150 feet of copper wire and also took brass and pipes from a freight car near by.

Pottsville.—Schuylkill county forwarded this year \$125,000 in license fees to the State. This sum was made up from \$88,925 liquor licenses, \$27,223.57 mercantile licenses and \$8,812 for hunting licenses.

Mahanoy City.—Fire has been damaging the rich coal measures of the No. 9 mine of the Lehigh Coal and Navigation Company. Falling electric wires coming in contact with the timbering and then igniting the coal beds

is the cause ascribed by officials who all day directed a fire-fighting force.

Hazleton.—While examining a rifle the weapon exploded and the bullet went through the hand of the Rev. John Intusca, rector of St. Cassimir's Church, Freeland.

Bloomsburg.—Mrs. Irene Miller, when she attempted to turn on the electric light while holding a telephone, was hurled from her chair and rendered unconscious.

Shamokin.—Police tracked John Timcoe to his home here yesterday and found him hiding in a trunk in his bedroom. He was taken to jail at Sunbury, charged with thefts. He made confessions and implicated another resident, an accomplice who dynamited the Hagenbach & Wallace circus here as the show was about to leave.

Bethlehem.—Wilbur Wombold, 16 years old, was probably fatally injured on his father's farm in Palmer township, when, while threshing grain in the barn, his right leg caught in machinery and was so badly crushed that

it was amputated in the hope of saving his life.

Market Square Store to Give Funds to Belgians
Belgium's victims of the great war will reap the benefit of Monday's sales at the stores of the United Manufacturers' Company, 9 North Market Square, as the firm has arranged to turn over to the cause one-tenth of the total moneys derived from the sale of that day. In an explanatory letter to the Telegraph on the subject the United Manufacturers' Company says: "The prices on the merchandise will not be increased to cover the donation, but the original price will apply on all merchandise, and one-tenth of all purchases made on Monday next will be turned over to the proper party for transmission to the relief commission. The day's business will be audited by a disinterested party, whose selection will be made between now and Monday."

CORNELL MEN HOLD DINNER
The Cornell Association of Central Pennsylvania gathered at the clubhouse of the Engineers' Society of Pennsylvania, at Harrisburg, last night, for their annual football dinner. Thirty men attended. Between the courses the singing was led by a quartet, which also gave several selections. J. J. Munns, captain of the 1913 football team, spoke of the Cornell-Penn game from a technical standpoint and of the possibilities for next year's team. Others told of their experiences at the Thanksgiving Day game which the association attended in a body. The principal speaker of the evening, Theodore E. Joseph, Cornell, A. B. '96, Allentown, Pa., gave a very interesting talk, taking for his subject "Above All is Humanity," an inscription on one of the main Cornell buildings. At the meeting the permanent organization was completed by the adoption of a constitution and by-laws. The officers are: George F. Wegbardt, president; R. Riegel, vice-president; E. Willis Whitte, secretary, and S. Wittenmyer, treasurer.
