Hears of Much Distress

Stough hopes to make this Pound Night" one of the most memable of the campaign specialities and time of Christmas cheer for the ena time of Christmas cheer for the enfre city. He spoke last night of the
many letters he has received from
time to time, asking for assistance for
the poor of the city. Some of these
letters were pitiful in their appeal and
all of them showed, he said, that there
is much dire want, of which prosperous public seldom hears.

One of the letters he quoted was
from a little boy who said his papa and
brothers were out of work and all the
family hungry. Another from a little
girl saif she had heard that Santa
Claus child not come to her home because they were too poor.

The tabernacle was comfortably heated and the attendance was better than on the night before. Dr. Stough said he was more than pleased at such a good turnout on such a night and said he felt more than justified for staying another week. About 1,000 railroaders occupied reserved seats.

Both the Harrisburg regiment and the company from Enola were headed by bands and each played "Onward Christian Soldiers" in a confused concert as they neared, the tabernacle.

He spoke of the "delegation of the official board of the First Baltist Church of Jerusalem going to John the Baptist in his jail and asking him to please modify his harsh statements about King Herod running around with his brother's wife"; to all of which John violently answered no, and paid for his refusal with his head.

So impressed was she with this success that she induced the American Red Cross to take up the sale in 1908 on a national basis. With very little organization and with hardly any attempt at careful advertising the sale that year brought in, nevertheless, over invarious parts of the United States. In 1909, with more thorough organization, the sale was increased to nearly 45, 100,000; in 1911 to over \$300,000, and in 1912 to over \$400,000.
