Body Still in Cincinnati
Hohl's body was still in Cincinnati today, according to officials of the Adams Express Company. The Adams Express officials say notice has been received that the body will not be shipped until released by the coroner of Cincinnati. An inquest is scheduled for this afternoon at Cincinnati.
Colonel Joseph B. Hutchison has arranged for a detail of patrolmen at the Mauck undertaking establishment immediately after the arrival of the body, during the funeral services, and at the cemetery. Arrangements were completed to-day with the Rev. A. M. Stamets, pastor of Augsburg Lutheran Church, to conduct short services.
Between sobs and heartaches, Mrs. Annie Hohl to-day expressed much anxiety over the delay in the arrival of the body of her boy.

Find Some Loot
Hidden under mattresses, behind pictures and under the matting of a room at 1405 Vine street, Cincinnati, \$8,160 of the \$12,660 which was stolen by Frank Hohl, bank bandit, last Thursday, was discovered by Detectives Huestfen and Harold Saturday.
The detectives were led to search the room when they were informed that a \$1,500 bill was missing. Most of the money was under the mattresses of the two beds in the room, but when the detectives ransacked the place they found loose bills hidden behind pictures and under the matting on the floor.
The box which Hohl placed in the mails at Station V of the post office, shortly before he killed Patrolman Chase, is still missing. The police are confident that this box contains the \$4,500 which has not been recovered. Efforts of the post office officials to secure a trace of this box have been unavailing.

PIMPLY? WELL, DON'T BE!
People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets
A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.
Cleanse the blood, the bowels and the liver with Olive Tablets.
Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.
Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.
No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.
Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color.
Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immediately effective result.
Take one or two nightly for a week. See how much better you feel and look. 1c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.—Advertisement.
