WHOLE STOCK LIST REFLECTS WEAKNESS

United States Steel Falls to Within Fraction of Its Minimum Price

By Associated Press

New York, Dec. 22.—Weakness of United States steel was again the feature of to-day's early stock market operations. It fell to 48⅞, or within a fraction of its minimum price on comparatively large dealings. The balance of the list also reflected further pressure, St. Paul, Northern Pacific and Great Northern recording new low quotations with declines in Union and Southern Pacific, Erie first and the coppers. The most notable extensions to the general tendency were Reading and Lehigh Valley, both gaining a point on the overnight court decision absolving the latter from the allegation restraint of trade.

BRINGING HARRISBURG'S GIANT CHRISTMAS TREE TO CITY

The cut shows the mammoth tree on its way to Front and Market streets in Harrisburg yesterday. The tree was in charge of W. A. Fleager, who is on the left of the above picture, and Lewis Knapp, on the right.

Employes of the Harrisburg Light and Power Company placed the big tree in position this morning. Work on the grandstand will start to-morrow. The wiring of the tree for the colored lights is already under way. The complete program of the celebration will be announced to-morrow or Thursday.

1915 TAX LEVY IS REDUCED TO 9 MILLS

Commissioner Bowman Offers Ordinance Authorizing Half Mill Difference in Rate

Harrisburg's tax rate for 1915 was fixed at nine mills, a half mill reduction from the present millage, by an ordinance offered in City Council this afternoon by Commissioner Harry F. Bowman, Superintendent of Public Safety.

The tax levy measure was introduced in connection with the 1915 budget which calls for an estimated expenditure during next year of $552,102.73. The budget will likely be passed finally on Saturday at a special meeting.

The general maintenance ordinance is based on estimated receipts—including between $50,000 and $55,000 balances from the present year—of $580,000. By Commissioner Bowman's figuring there should be at the close of 1915 the comfortable balance in the city treasury of $27,897.27.

Original Estimate $568,855.47

The original estimates called for an outlay of $568,855.47. No provision is made for the third public improvement loan because this was taken care of for 1915 by the present year's budget; the appropriation of $13,590.74 for sinking funds for the second public improvement that had also been included in the original 1915 budget was lopped off.

Commissioner Bowman said to-day that the half mill cut is made possible without any radical change in the assessments. The report that an increase of the city valuations would be forthcoming at the coming triennial assessment was without foundation, he said.

Of the nine mill levy fixed by the millage ordinance to-day 2.18 mills will be set aside for sinking funds and the remaining 6.82 mills will be used for general maintenance.

The principal items that will be provided for this year will be an additional hundred dollars per year raise in salary for Captain of Police Joseph P. Thompson and Assistant City Clerk Ross R. Seaman which will make their salaries $1,300; $2,500 for an automobile truck to be used in connection with the proposed new city asphalt repair plant; sixteen additional cluster lights and fifteen new arc lights. The lighting of the river wall, it is understood, will be provided for by Commissioner M. Harvey Taylor early in the year.

Following are the totals provided for each department:

PLEASANT DREAMS!

Some folks' idea of entertainment is a visit to the morgue. Henry Miller gives an interesting example:

"'It's not everybody I'd put to sleep in this room,' said the motherly old landlady to her lodger, who had come to that remote district on account of a serious nervous breakdown.

"'This room is full of tender associations to me. My first husband died in that bed, with his head on that very pillow. My dear father passed away on that sofa under the window. He was a spiritualist, and he vowed he would appear in this room again after death, though I've never seen anything of him yet. My poor nephew, William, fell dead with heart disease right where you are standing. He was studying to be a doctor, and there are two whole skeletons and six abnormal livers preserved in spirits in that press yonder, while that bottom drawer is full of odd bones and skulls. He used to do a lot of vivisecting up here when he was alive.

"'Well, good night, and pleasant dreams,'"

HARVARD SCHEDULE READY.

Cambridge, Mass., Dec. 22.—The Harvard football schedule for 1915 was announced to-night by Graduate Manager Fred W. Moore. Nine games are listed, five of which are with teams that did not play in the stadium last fall.

Cornell is taken on after a lapse of one season and Carlisle, after an absence of three years. Colby, Mass., Aggies and Virginia are the other newcomers.

The Crimson management was very anxious to entertain West Point here this fall, but today word was received that the Army authorities refused to sanction another trip away for the soldiers.

Harvard was willing to play a return game on the plains in 1916 if the West Pointers would have consented to perform here this fall. The teams which appeared here last season and are missing in the new schedule are Michigan, Washington and Jefferson, Tufts, Springfield College Y. M. C. A. and Bates.

New Photograph of the Belgian Queen

This is the last posed photograph of the queen of Belgium. It shows the effect of the war. While she never was a heavy woman, her face has grown thin since war began.

CHRISTMAS GIVING WORTHY OF IMITATION BY OTHER SCHOOLS

Stevens Memorial Methodist Sunday school has given generously to the poor. The classes took their donations to the church last Sunday, and the accompanying etching shows how generous the members were. The Men's Bible Class, taught by J. H. Bell, gave eight barrels of flour. The gifts are being distributed to-day. Al. K. Thomas is chairman of the committee in charge.
