New York, Dec. 23.—In an opinion justice Bartow S. Weeks, chairman of the legislation committee of the Amateur Athletic Union, has decided that athletes of any college holding membership in any association of the Amateur Athletic Union are eligible to represent a club during the period between June 1 and October 1. Early in November Columbia University joined the Metropolitan Association in order to permit its athletes to compete in the association championships and after doing so a question arose as to whether the Blue and White track men could not, under the eligibility rule, be barred from transferring to a club at the close of the college season.

"A PAIR OF SIXES," CHRISTMAS

The Majestic will have a noteworthy
Christmas attraction, Friday, alternoon
and evening, in "A Pair of Sixes," the
farce that has been running at the
Longacre Theater, New York, for nearly
a, year, and which excited a furore of
fun and praise that has never been exceeded in the history of metropolitan
theatricals. In what has been termed
"our national indoor "ame," a pair of
sixes is not considered much of a hand,
but the affair arranged by the author,
Edward Peple, backed by a queen of
hearts, has created a farce that has
been declared a "royal flush" in the
matter of fun. It has proven to be the
biggest farce winner in the history of
the English-speaking stage, and the
success which it has won in New York
has been duplicated in Chiage,
the sentence of the control of the control
that has been received everywhere with praise, whose expression
has been entirely in the superiative.—

Yesterday afternoon some several hundred of Harrisburg's litt orphans, cripples, cit. from the various charitable institution attended the performance as guite close they went upon the stage and received a nice gift from Santa Claus' own hands. It was some treat for the 'kiddies.' No girl or boy in Harrisburg should miss seeing Santa Claus well as the fine show which was booked for the special purpose of pleasing the Orpheum's little patrons. However, the fact that the Orpheum is celebrating in favor of the youngsters, the selection of the gift in the stage and receive very the fact that the Orpheum is celebrating in favor of the youngsters, the fact that the Orpheum is celebrating in favor of the youngsters, the selection of the product of the little fellows.
