makes a very impressive king and is supported with an all-star cast, including Beverly Bayne and Bryant Washburn. For Christmas Day our present to the public has been the making of a Vitagraph Broadway Star production, featuring clever Anita Stewart, famous lead in "A Million Bids." She appears Christmas in "415," a three-act drama, dealing with a gang of diamond swindlers who operate between Europe and America. Anita Stewart, as Elaine Hall, daughter of the chief smuggler, and Harry Morey, a secret service man; Northrup as Baron Barcelon, the smuggler, and Julia Gordon, adventures, in love with the Baron, complete an all-star cast.—Advertisement.

**WOMEN VOLUNTEERS**  
In stress and trouble the women of a nation are always to be counted upon. In Serbia the women went to the front with muskets in their hands; they were as strong and brave as the men on the firing line. In this country few of our women escape the weakening troubles peculiar to their sex. For every disease or ailment of a womanly character, no matter how recent or how long standing, the one sure, reliable remedy, of proved merit is Dr. Pierce's Favorite Prescription. It is prepared from nature's roots and herbs and does not contain a particle of alcohol or any narcotic. It's not a secret prescription for its ingredients are printed on the wrapper. Women are earnestly advised to take it for irregular or painful periods, backache, headache, displacement, catarrhal condition, hot flashes, salivary complexion and nervousness. For girls about to enter womanhood, women about to become mothers and for the changing days of middle age Dr. Pierce's Favorite Prescription should always be on hand. Write Dr. Pierce, Buffalo, N. Y., for free 136 page book on woman's diseases. Every woman should have one.

**NO CHARGE FOR THIS GRAND HOME MEDICAL BOOK**  
Every home should have one. Every man and woman who isn't afraid to read a book so plainly written that anyone can understand it should write to-day for a revised copy of The People's Common Sense Medical Adviser to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y. This is a large cloth-bound book of 1008 pages; 8 inches long; 1 1/2 inches thick; brimful of knowledge not found in ordinary books, sent postpaid to any reader who will send this clipping with 20 cents.—Advertisement.

"A PAIR OF SIXES," CHRISTMAS  
How would you like to be the sweet-

heart of a young man who is a half partner in a perfectly healthy and successful business, and then visit his partner's wife to find out that your fiancé was employed there as a butler? Oh, how would you like to be the wife of a young man who was the other half of that same business and find that because he has won in a game of cards, he must conduct the entire business, which demands so much of his time that he is unable to be at home more than one or two evenings a week? Or, how would you like to be the stenographer in her office of the same firm comprising the same two young men, and have to resign your position because each one says he is the senior partner and each one will discharge the other, and you don't know how to please them both? These are the problems which confront the trinity of attractive young

femininity in the sensational farce success, "A Pair of Sixes," which will be presented as the Christmas attraction at the Majestic to-morrow, matinee and evening.—Advertisement.  
**ORPHEUM**  
Santa Claus closes his engagement at this afternoon's show. With his knapsack of nice toys that he presented to the girls and boys each afternoon this week, Old Saint Nick proved quite a hit. There will still remain "The Dream Pirates," a delightful one-act musical comedy; Derkins' Animal Novelty, called "Dogville On a Busy Day," and Josephine Davis, the pleasing singing comedienne; Emmet DeVoy and company, in a farce comedy called "His Wife's Mother," and three or four other Keith attractions of a high order. It has been a long time since a line-up of Keith acts seemed to strike the

popular fancy like the offering that the Orpheum is presenting this week. Heavy advance sales accordingly are reported at the box office for the remainder of the week. Next week Kitty Gordon, hailed as the most beautiful woman on the American stage, is announced as the Orpheum's bright particular headliner. In presenting Miss Gordon and company for next week the management says she is the highest salaried artist who ever came to Harrisburg for a week's engagement.—Advertisement.  
**COLONIAL**  
Treat's Seals, vaudeville's most wonderful animal actors, come to the Colonial to-day to hold forth as probably the most interesting of the attractions booked to entertain at the Busy Corner over Christmas Day. This will be the second local appearance of this won-

derful animal troupe and when they were here before they attracted much interest among grownups as well as children. The seals do everything but talk, being educated to a marked degree. Another sterling attraction will be that presented by Graham and Randall, who will offer a clever variety skit; Port and Delace" will appear in comedy songs and patter, and Charles Bennington, the one-legged wonder, will add the thrills of the offering. "Broncho Billy Turns Judge," an excellent moving picture attraction in two parts, will be the special feature in the moving picture entertainment.—Advertisement.  
**AT THE PHOTOPLAY**  
Most popular "movie" actor, Francis X. Bushman, will appear to-day at the Photoplay in a two-act Essanay drama, "Every Lich a King." Mr. Bushman
