Only Weak Issues Were Stock and Four Per Cent. Bonds of Western Maryland

New York, Dec. 31. — A firmer tone was shown by stocks in to-day's early circumscribed dealings. Reading and circumscribed dealings. Reading and Amalgamated Copper opened at slight advances while Union Pacific and Pennsylvania rose from a half to a point. American Telephone, selling ex-dividend, also advanced a substantial fraction. U.S. Steel and Southern Pacific were steady at yesterday's close. The only weak issues were the stock and 4 per cent. bonds of the Western Maryland, which added to their decline of yesterday in connection with the impending default of interest on the company's notes.
