

Women AND THEIR Interests

Why My Wife Left Me

By DOROTHY DIX.

"I lost my wife," said the third man, "through sheer carelessness, just as a heedless boy might lose a precious jewel with whose care he had been entrusted."

now I should have moved heaven and earth to have provided Ellen with some companions of her own age and sex and some normal and healthful occupation. But I didn't, I was egotistic enough to think that just being married to me was amusement and career enough for a lifetime for any woman, and that when I was away from her she would wait no other pursuit more fascinating than contemplating my many charms and virtues.

WHERE TO FIND NATIONALLY ADVERTISED GOODS

The World's Best Merchandise In and Near

HARRISBURG, PA.

Merchandise that will bear national advertising has to have exceptional merit. else the manufacturer could not afford to spend large sums of money for the advertising, and to attach his name and reputation to an article that was not extraordinarily meritorious, for it is the repeat sales that he depends on. It is therefore quite evident that when an article is nationally advertised and nationally sold, year in and year out, year after year, it is exceptionally good goods to stand the test and prove worthy of continued sales and growth. It is conceded by experts that when an article is advertised generally—nationally—it is the best possible product. The wise always, in consequence, prefer nationally known goods and ask for what they want by name. Read the magazines and keep posted on nationally advertised goods.

Miss Fairfax Answers Queries

YOU CANNOT AFFORD TO DO IT. DEAR MISS FAIRFAX: Am a young girl, twenty years, and my position requires me to go on a business errand every day where there are a great many young men bookkeepers and clerks employed. Often times I have to wait about fifteen or twenty minutes, and during that time several of them have started conversations. There is one young man to whom I have taken a liking, and would like to know if there is any way in which I can extend the friendship so that he will not think I am forward.

Before the communion service Dr. Lyter baptized a large number and received thirty-six trailblitters into church fellowship. A large number of additional trailers will be taken into the church within the next three weeks. At the Sunday school service in the afternoon, J. E. The executive committee of the Sunday school has completed plans for the organization of a "booster chorus."

A DANGEROUS COMPARISON.

DEAR MISS FAIRFAX: My daughter, seventeen, chums with Now this girl attends many parties and is given the key to her home and is allowed to come in even as late as 2 or 3 o'clock in the morning. Now my own daughter is allowed at a party once in a while, but must come home with her escort at the time set. Her chum thinks this is awful, I want my daughter to give up this chum, as her boy friends are too many, what is your opinion, and am I too strict, as her chum says I am.

Proper Airing of a Bed Important in Housekeeping

Many housekeepers think they air beds by throwing the bedclothes over the foot of the bed and the mattress over them, but this is simply airing the underside of the mattress and smothering the bedclothes. Some persons also think that to air a bed properly it must lie this way about half the day, giving a very unhygienic appearance to the room.
