Baptist College's contribution to the Red Cross fund. It is the expressed wish of the children who saved the money that it be sent to help in the Red Cross work in Belgium."

Relief Until She Got Vinol.

Dayton, Ohio.—"I want everybody to know what Vinol has done for me, I am now fifty years old and ever since I was a young girl I have had a cough most of the time, and sick headaches which left me weak and with no desire for food.

"I took all kinds of medicines but nothing seemed to do me any good, Finally my druggist asked me to try Vinol, saying that if it did not help me he would refund my money. I felt so much better after taking one bottle I bought more. Now my cough is entirely cured. I have no more sick headaches. I have a good appetite and feel better than I ever did in my life, and I cannot recommend Vinol tonighly."—Mrs. J. C. Schneider, Dayton, Ohio.

Vinol is not a secret nostrum, simply a combination of the medicinal elements found in cod livers, together with tonic iron, contains no oll and is delicious tasting. We ask every man or woman in this vicinity suffering from chronic coughs, colds or bronchitis, and every weak, run-down person to try Vinol.
