

**SALARY RAISER IS OFFERED BY MAYOR**

Cheerfully Introduces Measure Authorizing Increases For Police Force Officials

**FUN WITH THE EXECUTIVE**

Bowman, Lynch and Taylor Vote to Confirm Schell; and He's a Democrat, Mr. Royal!

At next Tuesday's session of City Council the ordinance providing for generous increases in salaries for the chief and captain of police and one of the detectives—which Mayor John K. Royal so cheerfully introduced at Tuesday's session—will be passed finally.

The measure authorizes \$300 a year more for the chief, \$200 for the captain and \$150 for the detective. Colonel Joseph B. Hutchison, Captain Joseph P. Thompson and Detective Joseph Ibach will be affected and their salaries hereafter will be \$1,800, \$1,400 and \$1,200, respectively.

Ordinarily the Mayor has protested against salary increases.

Marion Verbeke, clerk in the department of finance and accounts, will get another hundred a year, thus raising his salary to \$1,500, if an ordinance offered Tuesday is finally approved. The increased salaries of the police officials have been provided for in the budget. Mr. Taylor offered an ordinance providing \$7,500 for the new Royal firehouse and the Bowman water rate measure was passed finally.

**Fun With the Mayor**

City Commissioners Bowman, Lynch and Taylor had a whole lot of fun with the Mayor at Tuesday's session during the debate over the appointment of William A. Blair. He was a patrolman deposed by the Mayor when the latter assumed office. Now he is to be the new policeman provided for by the budget.

Blair, according to Commissioner Taylor, had declared that when he asked the Mayor why he was to be dismissed he was informed by the chief executive that he, Blair, "had not been for the Mayor, so why should he expect the Mayor to be for him."

Whereupon Mayor Royal vigorously denied this, said Blair told what was not true, if he made any such statement, and added that "things are not the same nowadays—that the whole purpose of the act under which the city is being governed is to eliminate politics." He added that Council never recommended anybody for a position except a Republican.

A little later upon motion of Mr. Bowman, the name of Ed. H. Schell was presented for confirmation for another term of five years as acting chief of the bureau of health and sanitation. The confirmation was unanimous.

"Now, Mayor," gravely observed Mr. Taylor, "there's a good Democrat we've just voted for."

"Well," snapped the Mayor, "he's a capable and efficient man."

"Sure he is—sure he is," chorused Messrs. Bowman, Lynch and Taylor sentimentally. "That's why we voted to confirm him."

**TWO COASTERS INJURED**

Special to The Telegraph  
Waynesboro, Pa., Jan. 7.—Another serious coasting accident occurred Tuesday night in which two people on the same sled were injured. They were Wayne McGinley and Miss Stella Bretzler, this place.

The slide occurred on the Funk hill in Main street. McGinley, Miss Bretzler and several other parties got on a bobsled and started down the hill. About midway down the grade a sleigh approached and when Mr. McGinley, who was guiding the sled, turned out to the side of the road, the rear end of the sled slid around and struck the sleigh with terrific force. McGinley's knee struck the sleigh and the sleigh past knock him fifteen yards away from the spot where the collision occurred. His head also struck the sled and he was rendered unconscious. His kneecap was split and he was badly cut and bruised. Miss Bretzler was thrown against the sleigh and received injuries about the body and was rendered unconscious.
