"BUNCOMBE" It Don't Always Pay to Be Skeptical

When a newspaper writer and proof reader that works nights can feed himself out of dyspepsia, which most all that class suffer with, it is worth while to know the kind of food used.

"Day after day I read the proof on the Grape-Nut advertisements with the feeling that they were all 'buncome'.

"I was nearly ready to give up and seek health in some other walk in life but thanks to my change in diet I am now all right."

Ever read the above letter? A new one appears from time to time. They are genuine, true and full of human interest.

Have you tried and tried to get a satisfactory coal for your furnace?

One kind burns too fast and makes clinkers and another kind won't burn fast enough and of course don't give out enough heat.

As an all-around furnace coal; one that can nearly always be depended upon, we recommend Wilkes-Barre Stove Coal size 1 1/4-inch to 2-inch, price \$6.70.

Let us send you a small amount for trial. Be sure and ask for Wilkes-Barre.
