NEW COUNCILMAN SOON TO TAKE OATH

Improvement Finances So Able M. P. Harlan Expected to Urge Handled, Money to Do Work Is at Hand Revision of Steelton's License Ordinance

Plans for the completion, early next Spring, of Steelton's municipal improvement program, authorized under the \$55,000 loan of 1912, are being made by the borough authorities.

Only two of the seventeen streets to be paved under this loan remain to be completed, but so well was the paving appropriation handled that council feels that Highland street, from Second to Third, can still be paved with the balance remaining on hand. An ordinance authorizing the paving of this street passed first reading Monday.

It is planned to suspend the rules at the February meeting and pass this ordinance on second, third and final readings. Bids will be asked for immediately, it is believed, and the contract for Constoga, South Third and Highland streets paving will be let at one time. A special council meeting will probably be called late in February for this purpose. Work may then be started in the early Spring.

Fiery Blood Disorders Checked

The Sources of Disease are Cleaned and Blood Purified

Those who have used S. S. S. marvel at the way it checks blood diseases. See a man today with his skin all broken out; see him again in a week or two after using S. S. S. and he is a wonder to behold, all cleared up, skin healthy, eyes bright, a big smile replaces the droop. What is S. S. S. that can accomplish such wonderful results? First of all it is a natural medicine. Like milk, eggs and other foods that can not be imitated, S. S. S. owes its nature for its power to overcome disease just as food prevents emaciation. S. S. S. is not a combination of prescription drugs. It is a preparation direct from medicinal plants that retains all the virtue potency of what we need, what we must have in the blood to counteract those destructive tendencies that assail us throughout life. If it were not for our natural secretions to sustain us, aided by such known helps as S. S. S., there would be small chance of any of us surviving childhood.

Get a bottle of S. S. S. today from any druggist but be careful to avoid the substitutes peddled off on the unwary. S. S. S. is prepared only by The Swift Specific Co., 53 Swift Bldg., Atlanta, Ga., and for private medical advice write briefly your symptoms to their medical department. They will take excellent care of you.
