SECOND STRAIGHT FOR YALE TOSSERS

New Haven Five Outplays Cornell From Start; Charley Taft in the Game

Special to The Telegraph New Haven, Conn., Jan. 16.—Yale basketball tossers won their second straight victory last night, defeating Cornell by a score of 28 to 22.

In last night's game Yale took the lead at the start and kept it throughout the game. At the end of the first half the score was 16 to 7.

Arnold, who played a wonderful game for Yale at right guard, had to be taken out after four personal fouls had been called against him.

Lunden, Brown and Ashmede formed a Cornell combination that scored goals in fast order during the second half, and although Yale's lead was threatened, the Ithacans never tied the score.

Cornell's faults last night for lack of teamwork and the fact that it staked everything on long shots at the basket, which went wide.

NEW AFFIDAVITS IN FEDERAL SUIT

Lee Magee Requests Court Aid in Preventing Trust Interference

Special to The Telegraph Chicago, Ill., Jan. 16.—According to new affidavits filed in United States District Court by Federal League players yesterday, the sins of organized baseball are multiplying daily.

The Brooklyn manager adopted the petition of the Federal League in its original bill and prayed for the same relief as asked there.

The contracts signed by players in organized baseball were cited and the court was asked to determine whether the agreements and their interpretation amount to violation of the laws against enforced servitude, peonage and the right of every citizen to enter into a free contract.

In an affidavit accompanying the petition Joseph Tinker, manager of the Chicago Federals, related that he had been sold three times by organized baseball without being consulted as to his wishes.
