"Golden Rules" For Ministers Compiled by "Church Advocate"

Church of God Official Organ Prints Exacting List of Things Expected of the Pastor by God

Much has been written about what the world expects of a preacher; what a minister should or should not do; whether he should smoke or not; and so on ad infinitum. But it remained for the Church Advocate, official organ of the Church of God to say "What GOD expects of a preacher."

Series of Sermons on the 'Great Doctrines of Salvation'

Redeemer Lutheran Church, whose pastor is the Rev. E. Victor Roland, has had an unusual growth during the past year. This is verified not only by the fact that last Sunday the largest attendance was present at the regular session of the Sunday school, but also by the splendid reports of the year's work given at the annual congregational meeting.

Beginning to-morrow the pastor will preach each Sunday on the "Great Doctrines of Salvation." The sermons for morning and evening will be on companion themes. The series will begin in the morning, "Salvation: From the Godward Side," in the evening, "Salvation: From the Manward Side."

Midweek prayer services will be of special nature, partly devoted to prayer and song and partly to religious instruction for adults who desire to know more about the Christian life and church relationship.

The culmination of the plan will be in two weeks of special services preceding Easter.

To accomplish this end the church must reach all men through the most forceful medium at her disposal. All men and women are weekly invited through these advertisements to attend church services, for the sooner all men and women realize the work of the church through their attendance; the sooner will their lives reflect the influence of Christian teaching. And just so, the sooner will the great work of the church be accomplished. The church collectively is interested in the whole world. Individually the church is interested in you. Your attendance at a church in Harrisburg, helps the cause of Christianity everywhere.
