SICK CHILDREN LOVE CASCARETS FOR THE BOWELS TRAFFIC INCREASES

Give "Candy Cathartic" for a bad bad cold, sour stomach, constipation.

Get a 10-cent box now.

Most of the ills of childhood are caused by a sour, disordered stomach, sluggish liver and constipated bowels. They catch cold easily, become cross, listiess, irritable, feverish, restless, tongue coated, don't eat or sleep well and need a gentle cleansing of the bowels—but don't try to force a nauseating dose of oil into the little one's already sick stomach—it is cruel, needless and old-fashioned.

Any child will gladly take Cascarets Candy Cathartic which gently—never gripe or produce the slightest uneasiness—though cleanse the little one's system, sweeten the stomach and put the liver and bowels in a pure, healthy condition.

the liver and bowes in proceedings condition.

Full directions for children and grown-ups in each package.

Mothers can rest easy after giving this gentle, thorough laxative which costs only 10 cents a box at any drug store.—Advertisement.
