### To Keep Skin Healthy, Youthful, Wrinkleless

Now that the social season is here, be especially careful to keep your skin in fine condition. You know how conspicuous complexion defects appear under the bright light of the drawing or ball room. Also how very evident are some makeups when similarly illuminated. I have myself discarded cosmetics entirely, using a simple and delicate mercurized wax, washing it off next morning. This gradually absorbs the dehydrated particles of surface skin, just as gradually the more youthful skin beneath comes forth providing a complexion as clear, smooth and delicately tinted as a young girl's. Get an ounce of mercurized wax at your druggist's and try this remarkable treatment.

Remember, too, that wrinkles, even the finer lines, are not easily concealed in a brilliantly lighted room. You can quickly obliterate these hateful marks by bathing your face in a solution of powdered saxolite, 1 oz., dissolved in witch hazel, 1/2 pt. And your face won't look sticky after using Pape's Aunt Sally in Woman's Realm.

## Says Governor's Pay Is Less Than Engineer's

Chicago, Ill., Jan. 19.—Governors of seven States of the Union could make more money sitting in the cab of a locomotive than they are now making in the executive chairs of their respective States.

This statement was made here yesterday by James M. Sheehan, attorney for the Pennsylvania railroad, whose engineers, firemen and hostlers are demanding higher wages and better housing conditions.

The case of the board of arbitration, presentation of evidence for the men began November 30, 1914, and was completed yesterday, after which Sheehan went on to say that the annual salaries of these Governors are smaller than the wages received by some of the locomotive engineers of Western railroads who ask wage increases which Sheehan said would amount to \$40,000,000 a year.

### Just Try This When Hairy Growths Appear

(Modes of To-day)

A smooth, hairless skin always follows the use of a paste made by mixing some water with nigan powdered delatone. This paste is applied to the hairy surface 2 or 3 minutes, then rubbed off and the skin washed, when every trace of hair will have vanished. No pain or discomfort attends the use of the delatone paste, but caution should be exercised to be sure that you get real delatone.—Advertisement.

Mrs. Margaret E. Cleland, 1410 N. Sixth St., Harrisburg, says: "I have taken Doan's Kidney Pills off and on for the past five years whenever I have suffered from pain in my back and when my kidneys have seemed congested. At times I had inflammation of the bladder which was very annoying. I had difficulty in passing the kidney secretions. I can always tell when this trouble is coming on for I have dull headaches and my sight becomes blurred. Doan's Kidney Pills were recommended to me very highly after I had used other remedies but had gotten no relief. After taking Doan's Kidney Pills, I am a different woman."
