### Rally Which Attended Yesterday's Late Dealing Was Resumed This Morning

By Associated Press

New York, Jan. 21. — The rally which attended yesterday's late dealing in stock was resumed at to-day's opening. Reading, Southern Pacific, Canadian Pacific, U. S. Steel and kepublic Steel, Pfd, rose a point or more. Trading was on a very broad scale, especially in steel, which again changed hands in large lots. Missouri Pacific opened lower, but soon recovered. There was unusually heavy trading in Arrerican Telephone and St. Paul convertible bond issues at slight advances. London furnished its customary change of lower prices for Americans.

### Another Mill Added to Bethlehem Steel Plant

Special to The Telegraph

South Bethlehem, Pa., Jan. 21. — The big fuse plant the Bethlehem Steel Company is erecting at its Red-ington proving grounds is nearly ready to be put in operation. More than 600 will be given employment. The plant will consist of several buildings, with the loading plant iso-lated from the rest. The building of this plant C. M. Schwab found was necessary following the orders from the British government.

The shrapnel shells are manufac 3,000 a day, some are loaded there also, but the fuses will all be inserted at Redington. The construction of the plant was begun four months ago and before a single order had been received.

Basing his remarks on the present large European war orders the steel company has and is expecting, Mr. Schwab in a statement yesterday said the steel company ordnance department is enjoying the busiest period of its history.
