

Without An Operation

Wonderful Healing of Rupture

How a New Jersey Man Got Rid of a Severe, Obstinate, Right Inguinal Hernia Without the Slightest Trouble.

Below is a picture of Eugene M. Pullen, a well-known carpenter of Manasquan, New Jersey. If you could see him at his work, particularly when he handles heavy timber, jumps and climbs around like a youth, you would scarcely imagine that he had formerly been afflicted with a rupture.

Ruptured in Right Side.

At an early age, Eugene Pullen was an express driver. He handled railroad baggage. One day after delivering a heavy trunk on an upper floor he felt a pain in the right groin. The suffering increased and it was not long before the young man noticed the swelling.

The doctor told young Pullen that he was ruptured and that unless he might expect an increase or doubling in the rupture with further complications, or the dreaded, strangulated hernia which kills so many ruptured people.

The victim sought a truss, he had spring-like affairs, the best he could get. It tortured him. He tried another—still no relief. He was compelled to give up his express business. The hard tasks of ordinary men were forbidden him. He became an insurance agent, in which position he did not need to do bodily work.

For six years Mr. Pullen dragged around, "sing" various trusses, hard, elastic, etc., with never any contentment. One day his mother told him something she had just found out. It was a simple and easy thing for him to do. He lost no time.

Discarded His Truss. Relief came at once; he almost forgot that he had any rupture. Afterward came a cure—a complete healing—and, although years have passed and Mr. Pullen is an energetic carpenter, working on buildings, climbing over roofs, lifting loads of lumber, etc., he is absolutely free from the old hernia. He knows he is completely and lastingly cured. There was no operation, no loss of time, no trouble—comfort and contentment from the very outset. He is a strong, cheerful-minded man.

Valuable Information Free. The valuable information which Mrs. Pullen read in a newspaper many years ago and gave to her son, together with further important facts, will be sent free to any reader of this paper who writes to Eugene M. Pullen, 915-A Mercellois avenue, Manasquan, N. J., enclosing a stamp for reply. Mention the kind of rupture you have, whether on right or left side and what you have already done in your effort to cure it. A legion of cases of all kinds of rupture in men and women, including inguinal (groin) hernia, navel, scrotal, etc., have been reported completely healed. Age seems to make no difference.—Advertisement.

TRY TO "HUSH UP" HIGHWAY ROBBERY

Police Approached in Effort to Stop Prosecution of Hold-up Men; No Arrests Yet

Alleged outside interference with the police activities along with efforts to suppress facts, will probably prevent a complete solution of a hold-up game pulled off Tuesday night.

Notwithstanding denials of the hold-up made on Wednesday by the police, J. F. Higgins, a prominent citizen of Austin, Pa., was enticed by two men, claiming to be Elks, to White House Lane, near Middletown, and robbed of a diamond ring, valued at \$400; a diamond stick pin, said to be worth \$150; a gold watch valued at \$100 and \$150 in cash. Since Higgins returned home it is said a Steelton business man did a justice of the peace have made efforts to recompose him and to stop police investigation. The case is outside the jurisdiction of the local department.

Warrants, it is said, have been issued for the arrest of two young Steelton men by Alderman Murray. One man has been identified by a motorist, who has been told to keep "mum."

Colonel Hutchison denied this afternoon that he was attempting to suppress any facts.

How Holdup Occurred

J. F. Higgins, who was here for the inauguration, walked into the Dauphin Hotel Tuesday night and met a crowd of young men who were stinging. Higgins joined the crowd. Acquaintance cars were exchanged and Mr. Higgins showed an Elks lodge card. One of two who were in the party showed his card and invited Mr. Higgins to go with them to the country clubhouse of the Elks near Middletown. Mr. Higgins accepted the invitation.

White House Lane Higgins and his friends left the car. Higgins was beat up, and after a hard fight was left in the waiting shanty at this lane. When he recovered he returned to Harrisburg and told his story. The police got busy and learned that one of the alleged Elks was from Steelton and that the other was a resident of Middletown.

Mr. Higgins said to be a stranger, was arrested for having the stolen ring in his possession. He said he found the ring near Highspire, while walking from Mount Joy to Harrisburg. Because the police believe that the two men, alleged to have helped up Higgins were outside of the pawnshop, Charles has been held for court by Alderman Murray for receiving stolen goods.

Historians Will Ask State For Financial Assistance

Previous to adjournment late yesterday afternoon the Pennsylvania Historical and Geological Society elected the following officers:

The Rev. Marcellus D. Lichliter, Harrisburg, president; William C. Sprout, Chester, first vice-president; W. E. Roberts, Lehigh, second vice-president; the Rev. H. E. Hayden, Luzerne, third vice-president; S. P. Hellman, Lebanon, secretary; Thomas Lynch Montgomery, Harrisburg, treasurer, and H. Frank Eshelman, Lancaster, and the Rev. Max Hark, Bethlehem, members of the executive committee.

Resolutions were adopted urging the State Legislature to preserve old Fort Augusta, at Sunbury, an early frontier landmark. The appointment of a commission to examine county records and report annually to the State Librarian was also recommended. The association decided to petition the State for an appropriation. The last State aid received was in 1906, when \$2,000 was appropriated.

CONSTABLES' BILLS AGGREGATE \$13,987

Claims Under Judge McCarrell's Ruling Filed With County Commissioners

Bills aggregating \$9,984.68 for court costs and \$4,002.73 for interest charges were presented to the county commissioners to-day by seventeen constables of the Adams County in accordance with recent decision of Additional Law Judge McCarrell approving the claim of the Commonwealth officers for costs under the rates provided by the act of 1901. By the law in question the first subpoena served on a party is the first subpoena served on fifty cents for each additional one. The constables' bills include all the claims which were tested out by Constable George W. Charters of the Second ward, city, and cover a period of five years.

The commissioners took no action on the bills to-day pending an investigation as to whether the charges were for any part of the terms which the officers served prior to the enactment of the law. In other words the county commissioners indicated pretty clearly that they were not to be tested for services rendered during terms which began after the passage of the law. Commissioner John H. Eby raised the point.

Deserters Push Past Officers and Give Selves Up to Chief

When three marine corps deserters walked into the police station Wednesday night and gave themselves up they were treated as prisoners. The officers of the 1st Marine Corps, who were on duty at the station, were notified by the police. The deserters were taken to the police station and held there until they could be identified. They were then taken to the Marine Barracks and held there until they could be returned to their units.

Claims Under Judge McCarrell's Ruling Filed With County Commissioners

Bills aggregating \$9,984.68 for court costs and \$4,002.73 for interest charges were presented to the county commissioners to-day by seventeen constables of the Adams County in accordance with recent decision of Additional Law Judge McCarrell approving the claim of the Commonwealth officers for costs under the rates provided by the act of 1901. By the law in question the first subpoena served on a party is the first subpoena served on fifty cents for each additional one. The constables' bills include all the claims which were tested out by Constable George W. Charters of the Second ward, city, and cover a period of five years.

The commissioners took no action on the bills to-day pending an investigation as to whether the charges were for any part of the terms which the officers served prior to the enactment of the law. In other words the county commissioners indicated pretty clearly that they were not to be tested for services rendered during terms which began after the passage of the law. Commissioner John H. Eby raised the point.
