Stomach Troubles Quickly Cured
People go on suffering from little stomach troubles for years, and imagine they have a serious disease. They over-eat or over-drink and force on the stomach a lot of extra work, but they never think that the stomach needs extra help to do the extra work. If these people would take Tonoline Tablets regularly they would be a great big help to the stomach in its strain of over-work. No matter what you eat or drink Tonoline tabs sweet, your sour stomach and stop gas belching in five minutes. The heaviness disappearsi and the stomach is greatly aided in its work of digestion.

Tonoline Tablets
not only promptly relieve all distress, but if taken regularly will absolutely cure indigestion by building up the flabby, overworked walls of the stomach and make them strong enough to digest the most hearty meal. \$1 for a 50 days treatment. Malled by American Proprietary Co.

the city of Williamsport and Lycoming county."

Before his departure for Williamsport G. W. Tepler, county detective, had Van Horn make a statement, which was sworn to.

In this statement Van Horn tells how he planned the robbery and regarding the death of Mrs. Mary Jane Fulmer. He emphasizes the fact that he did not intend to commit a murder.

Van Horn says he and his motherin-law quarreled last Tuesday and on Wednesday, the following day, he had a fight with his father-in-law. Van Horn says his wife, Anna Stroup, had nothing to do with the robbery; that he wanted money, and when he went to the Fulmer home to telephone to a relative for cash the temptation to

IS YOUR DAUGHTER PALE?

Does she inherit a delicate organion from you? The anemia

Does she inherit a delicate organization from you? The anemia of young girls may be inherited or it may be caused by bad air, lack of proper food, insufficient out-of-door exercise, hasty and irregular eating and not enough rest and sleep.

It comes on gradually, beginning with languor, indisposition to mental or bodily exertion, irritability and a feeling of fatigue Later comes palpitation of the heart and headache. In a majority of cases constipation is present. Often the patient craves unusual things to eat, such as starch or chalk. There may be no loss of flesh, but the complexion takes on a greenish-yellow pallor.

There is no need to worry in a case of this kind. The treatment is easy and simple. Dr. Williams' Pink Pills, nonalcoholic and free from any harmful drug, are just the tonic to remedy this condition. Improvement begins with the first dose. As the blood is made rich and red the peculiar pallor leaves the face strength and activity gradually return and if the treatment is continued until the last symptom disappears the danger of relapse is slight.
