

GIRLS! LOTS OF BEAUTIFUL HAIR

75 cent bottle of "Danderine" makes hair thick, glossy and wavy. Removes all dandruff, stops itching scalp and falling hair.

To be possessed of a head of heavy, beautiful hair, soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine. It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre, and try as you will you can not find a trace of dandruff or falling hair; but your real surprise will be after about two weeks use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

Night Sessions in Sight to Hasten Ship Measure

Washington, D. C., Jan. 27.—When the Senate met to-day to continue consideration of the government ship purchase bill senators were confronted with long night sessions so as to hasten action on the measure. This is the plan of the Democratic leaders of the Senate to meet what they regard as a filibuster on the part of the Republicans to defeat the bill. They hope as a consequence to exhaust the opposition.

EX-SANITARY COP

City License Tax Officer Thought He Recognized a Smallpox Victim

Once upon a time William D. Block, city license tax officer, was a sanitary policeman; he hauled many and many a smallpox patient to the hospital beyond the poorhouse hills and boasts even to-day that, if he can't pick out a smallpox victim when he sees him, then nobody can. Hence, when the license tax officer passed the office of the poorboard this morning, looked in and spied a weary, rather dirty youth standing near the railing awaiting to be provided with passage to Indiana. Mr. Block decided that prompt active steps were necessary. He acted.

"THE OLD HOMESTEAD" Dear to the hearts of millions of the country over, the grand old play of them all comes to the Majestic this afternoon and evening.

HOWE'S TRAVEL FESTIVAL The romance of industry as expressed in the making of a National cash register, constitutes one of the features of the program to be presented by Lyman H. Howe at the Majestic this afternoon and Saturday, with daily matinees.

THE TANGO CRAZE Adeyn Bushnell, the leading woman of Arthur Chatterton, who appears at the head of his own company at the Majestic 111 West Second street, is a clever actress, but she is a graceful dancer as well.

ORPHEUM For a rattling comedy act of first water, there is no one turn that Keith vaudeville sent to Harrisburg this season to surpass Bogonich's Midget Rider, appearing at the Orpheum this week.

COLONIAL Another big production is slated to appear at the Colonial Theater. This time it is a pretentious Oriental novelty, unlike anything of the kind we have seen, and is known as Sumika and the Geisha Girls.

IRVIN COBB When the present European war broke out, one of the first correspondents to take the field was Irvin Cobb, the humorist, who had for some time been writing for the Saturday Evening Post, and who was sent as their representative as special war correspondent.

of profits to common stockholders. According to La Salle Street reports, the "melon" is likely to be a stock dividend of 25 per cent, calling for a new issue of \$10,000,000 common stock. Vice-President A. H. Loeb said the amount of the dividend had not been decided. A better reason for the rise in these stocks is the fact that the sales of this mail order house in 1914 were \$101,400,000, an increase of \$5,500,000 over the aggregate for 1913, the expenses meanwhile having increased little, if any. Here is one of those cases where market value does not depend on the balance sheet but on the amount of money the concern can make from year to year. The book value of this stock is less than 150 and the market value is 47 points higher.
