PERSONAL AND SOCIAL

PUBLIC INTERESTED IN ENTERTAINMENTS GOVERNOR'S DAUGHTER BACK IN CLASSROOM

Annual Course of the Y. M. C. A. Begins February 12, Friday Miss Mabel Brumbaugh's Little Pupils Glad to See Her Again

The annual entertainment course by the Young Men's Christian Association, Second and Locust streets, will meet with popular approval and generous patronage, because of the noted artists engaged to appear this year. The opening number is a favorite with the lycium public, Miss Lucille Powers, one of the cleverest young women on the lycium platform, in a popular program to include dramatic readings and folk songs. Miss Landers is one of Boston's best products. This will be her first appearance in Harrisburg, although she is known in this city by reputation. She comes to Fahnestock Hall Friday evening, February 12, and will be followed by that well known magician, ventriloquist and monologist, Ambrose Jeffries, of New York, in a program which will include magic, mirth and mystery. Mr. Jeffries will appear Friday evening, February 19.

The closing attraction will be Miss Lillian Layton Lamson, of New York, one of America's best impersonators. She is a great favorite with all lovers of the lycium in this city. She will present one of the latest New York successes in the form of a popular play, impersonating all of the characters. Her date is Friday evening, February 26. Tickets for this popular course are now on sale at the association building. No reserved seats. Single admission tickets may be purchased at the box office on the evening of the entertainment. Those who are fond of high class lycium attractions should patronize these entertainments.

Montana Ranchman to Wed Pretty Harrisburg Girl One of the prettiest of romances culminated in the announcement made to-day of the engagement of Miss Pansy H. Werner, daughter of Mr. and Mrs. Harry N. Werner of 624 Schuyllkill street, to John T. Farley, Jr., a young ranchman of Montana. Just four years ago while passing through this city, Mr. Farley was attracted to his bride-to-be, who was clerking in a Greek confectionery up town. The love grew and grew and a correspondence sprang up between them. To-day Mr. Farley arrived to claim his bride and the wedding will be hurried up. Single and friends of Miss Werner are planning a series of showers for her, as well as a lot of wedding gifts, for she is most popular.

Just Like Her Father Young—she cannot be more than 24—fair complexioned and the very image of her distinguished father, as far as the contour of her face is concerned, she fits perfectly the role of the "good fairy" that she is so fond of impersonating in a favorite game, and, though her sympathetic understanding of children makes her the idolized playmate of her little folk, yet her quiet insistence with which they obey her suggestions—they are never commands—mark her as the ideal teacher, who has found the way to make work, even lessons, seem the jolliest sort of play.

She is always one of them. She plays games with the children, sings them songs, tells wonderful stories, helps build fences with gay-colored straws, cuts paper patterns with them, and when the cuckoo clock on the wall jumps out and cheerfully announces that it is eleven o'clock, she superintends the opening of the lunch baskets and the offering of grace to God. Heart and soul in her work in Philadelphia, Harrisburg has not been able to lure her from it as yet.

"I really don't know what my plans are for the future," she says, considering the question of her new duty as mistress of her father's official home, which sooner or later she may be expected to fill. "But I can say that I am going to stay here, at least until the end of the school term."

HOME FROM MONT ALTO Francis Mannix, who is spending several months in Mont Alto, is visiting his parents, Mr. and Mrs. D. J. Mannix, of Short street, Steelton. He is rapidly improving in health.

Mrs. Nathan Cohen and daughter, Miss Emma Cohen, 809 North Sixth street, spent Tuesday in Philadelphia.

William L. Berthel, Jr., of 310 North Second street, is on a business trip to Harrisburg.

Mrs. John De Gray, of 2325 North Third street, leaves Saturday for Lancaster to spend the week-end. She will address the Stough booster meeting.

Miss Mary Nebinger of 108 Hoerner street was hostess last evening for the L. A. O. Embroidery club of which she is a member.

Miss Eleanor Shunk is spending the week in Pittsburgh.

Misses Katrina W. Pfouts, of State street, is visiting her sister, Mrs. Paul W. Emrick, of Hollis, N. Y.

Mr. H. N. is coming to Harrisburg to visit her parents, Mr. and Mrs. Harry B. Creep, at 59 North Eighteenth street.

Mrs. Benjamin Meyers Mumma, of Mobile, Ala., is visiting relatives in town.

Mr. and Mrs. William B. Hammond and Misses Hannah and are registered at the Chalfont, Atlantic City.

Italian Steamship, With Coal Supply Gone, Taken in Tow by Greek Ship

New York, Jan. 28.—The Italian steamship Angela Parodi, which was lost from view of the revenue cutter Itasca Monday in a fog and was believed to have gone down with her crew of 27, reached this port to-day in tow of the Greek steamer Crios.

The Parodi had been adrift since January 19, when her supply of coal was exhausted. For four days the revenue cutter Itasca stood by and endeavored to get a line to the drifting ship. The Parodi's food supply ran out and this increased the suffering of the crew. High seas prevented the Itasca from aiding either the ship or those aboard.

During Monday night the Parodi drifted away from the Itasca in heavy weather. Soon after, her officers said to-day, the Greek steamer Crios sighted her and succeeded in getting a line to the helpless vessel.

The rescue of the Parodi is the second one achieved by the Crios in successive voyages. On her previous voyage from New York to Piraeus on November 22 the Crios helped the British steamer Gripwell, which had lost her propeller, to Gibraltar, a distance of 800 miles.

ELEVATOR JAMS IN Y. W. C. A. BUILDING [Continued from First Page.] motor room. There, it was believed, something could be done with a lever or some other device. The door of the elevator. The elevator man had the key. The travelers on the hoist were evidently becoming excited. Their voices were only dimly heard. They were far from quiet. Phone calls to half a dozen department stores for the elevator expert were in vain.

"Oh, dear, Miss Marshbank, 'just give it one more pull,' finally yelled a voice within the car. So Miss Marshbank pulled, and— The door quietly slipped open.

PROPHETIC VISION OF W. C. T. U. WORK Mrs. De Gray Addresses Institute and Foresees Important Temperance Victories

In "A Prophetic Message," delivered this morning in the Fourth Street Church of God by Mrs. John DeGray at the Dauphin County Temperance Institute, she foresees many important changes in the country, State and city through national prohibition which is scheduled to come in 1920. In a vision there comes the sound of many jubilant W. C. T. U. marchers singing a parody on "Tipperary," the chorus running: "Good-by Bar Room Mary, Farewell drunkard's wife, 'Twas a long way to Prohibition, But we're here you know."

"Among the benefits to the State will be the deepening of the channel of the Schuylkill—the better brains of the State fathers finding that the revenues are increased through the fact that no booze is sold and local option is enforced. For Harrisburg, a new building is erected in Market Square, called the "Christian Worker's Building" with a seating capacity of 10,000, to be used for all sorts of Christian service—a need the city keenly feels now.

Mrs. DeGray talks with prominent W. C. T. U. women in the foyer of this building of the new idea of districting the city for temperance work, under captains of the union, who will report each week, instead of once a month as at present, thereby increasing the efficiency of the union. Last of all she sees the woman who has had no part in this great temperance victory because she was not sufficiently interested to take part in the preliminary campaigns, but who regrets her inaction. She is told to get to work now, as her influence is needed.

Fine musical numbers, brief papers on timely temperance topics and selected readings formed parts of the morning's program. Mrs. M. M. Steese, president of this afternoon, gave a minute talk on "The Outlook" and "Why We Expect to Succeed" by various members. The Rev. William N. Hibbitt, Moderator of the evening, the milestones of "Indifference" and "Experimentation" are passed and there are now to be faced the milestones of "Necessity" and "Legislation."

WEDNESDAY CLUB CHORUS IN SPECIAL REHEARSAL There will be a special rehearsal of the Wednesday Club Chorus to-morrow afternoon at 2 o'clock in the music hall of the Conservatory of Music, 697 North Second street. Miss Corning, the director, desires a full attendance.

The chorus is working on Bender's cantata "The Death of Joan of Arc" for the choral concert, the next general musical event of the club.

SURGICAL MAGNETS Paris, Jan. 28.—In the hospitals of France magnets have been developed that will draw fragments of shrapnel to the surface from a depth in the flesh of even six inches, and steel-jacketed bullets have been drawn out from a depth of more than two inches.

At the Invalids' Hotel in Buffalo, N. Y., are many as wonderful electric machines, high frequency currents, X-ray, violet rays. Then Dr. Pierce has equipped the Sanitarium with every known device to aid the sick and in the Surgical Department every instrument and appliance approved by the modern operator. Every instrument cure of rupture is accomplished here without pain with local anaesthesia. Stone in the Bladder and Gravel are removed in many cases without pain and the patient can return home cured in a few days.

Dr. R. V. Pierce, nearly half a century ago, devised and used two prescriptions which were almost unfailing. They were made without alcohol or narcotics, extracted from roots and herbs by using pure glycerine and the ingredients are made public.

Dr. Pierce's Golden Medical Discovery is a tonic and blood purifier that cures pimples, blotches, sores, humors, eruptions and diseases of the skin.

Nothing stands as high to-day in the estimation of thousands of women as Dr. Pierce's Favorite Prescription—this is a soothing nerve which cures the functional derangements and painful disorders of women. For girls about to enter womanhood, women about to become mothers and for the changing days of middle age Dr. Pierce's Favorite Prescription should always be on hand. In liquid or tablet form. Write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for free 126-page book on woman's diseases. Every woman should have one.

Dr. Pierce's Medical Adviser, cloth-bound, send it to you on receipt of 3 dimes (or stamps) to pay expense of mailing only.—Advertisement.

WHAT CURES ECZEMA?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in Dr. D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves hesitatingly recommend Dr. D. D. Prescription. All druggists have D. D. Prescription. Drop into our store today, just to talk over the merits of this wonderful Prescription. Ask also about Dr. D. D. Prescription.
