MOTORCYCLE RUN'S NIGHT CONTROL HERE

Blair County Club Plans Big Event For Next May; Reception by Harrisburgers

Motorcyclists from Altoona and throughout Blair county have planned an endurance run to Harrisburg and return for Friday and Saturday, May 29 and 30. During their overnight stay in Harrisburg they will be the guests of the Keystone Motorcycle club. The local organization is arranging for a big reception for the visitors. The run will be under the auspices of the Blair county Motorcycle club.

Elaborate prizes will be awarded winners. It is believed the entry list will reach 100. During the months of May and June the Altoona motorcyclists will hold a series of races similar to those conducted by the Keystone Club at Middletown.

The test run to Harrisburg will be for endurance only. Six stations will be established between Altoona and Harrisburg. When the motorcyclists leave Altoona, each rider will have a credit of 1,000 points. At each station, when his machine is inspected, points will be deducted for defects found, such as engine trouble, faulty brakes, etc., while each break-down of a machine will cause a deduction of points.

The same plan will be followed out on the return trip. The time that is to be consumed between each station will be specified, and a rider who travels faster or slower than this speed, will receive demerits. The cyclist who returns to Altoona with the greatest number of points will be adjudged the winner, while the others will take place according to their record of points.

TECH'S NEW LINE-UP TO MEET MIDDLETOWN

Wharton School Also Has Hard Proposition in the Quakers; Vincome Team Coming

It is probable that a new line-up will represent Tech high school five in the game with Middletown to-morrow night. The interclass games at Tech have developed some promising players.

It is the belief that Gregory, the sophomore center, will be in the game part of the time. Harris will be given a chance at guard, and Stewart will play. The latter boy has been out of the game with a grievance, but is anxious to play again.

An important Saturday night game is scheduled between the local Wharton school five, and the tossers representing the University of Pennsylvania evening school of Philadelphia. Wharton players are quite busy, working during the day and attending school at night, and have had little time to practice. The squad will get together Saturday afternoon. The game will be played on Cathedral hall floor Saturday night, at 8:30.

Kaiser's Representative Makes Threat to Italy

Special to The Telegraph. Chiasso, Switzerland (from the Italian frontier), Jan. 28.—Austria and Germany are growing daily more alarmed over the Italian war preparations, and are augmenting their troops along the Italian frontier. Germany is pouring regiments from Bavaria into the Tyrol. It being understood that the German general staff controls all the Austrian military plans. Prince von Buelow, the German ambassador, speaking to Italian statesmen, has made it clear that if the concentration of Italian troops on Austrian boundaries is continued, the central empires will be obliged to denounce the treaty of the Triple Alliance, and send to Italy an ultimatum demanding guarantees for the maintenance of strict neutrality.

SEATS FOR MCCORMACK RECITAL IN GREAT DEMAND

The predictions made that a crowded house will greet John McCormack, the Irish Tenor at Chestnut Street Auditorium on Wednesday evening, February 3, are being fulfilled. The large number of mail orders received show that the out-of-town people are interested to the same extent as those in Harrisburg.

The regular sale opened at Sigler's Music Store, this morning, and the indications are that few desirable seats will remain for those who fail to call early. Assurance is given that among the encores, Mr. McCormack will sing "I Hear You Calling Me," "Mother, Machree," "Macushla," "Ave Maria," and other favorites which have made him famous.—Advertisement.

Time to Change Coal.

It's time to change the kind of coal you have been using when the stove refuses to throw out enough heat.

Lots of people begin to use a certain grade when they get married and continue to use the same kind under all conditions.

There is a big difference in some kinds of coal. What will give good results in one house will be very unsatisfactory when you move elsewhere.

Now instead of blaming the coal, why, try another kind and you'll find that the stove will work perfectly.

We will be glad to call and advise you the kind to use.

TRI-STATE RESERVE LISTS DUE; HARRISBURG HAS FEW STARS

York Awaits the Arrival of George Graham to Help Boost Their Game For the Coming Season

Three more days remain in which the Tri-State may file a list of players on the reserve list, with the National Association of professional baseball clubs. Harrisburg officials have not been able to get together, but it is understood the list will go to Secretary Frank Farrell not later than Saturday.

With Chabek, Adams, Whalen, McCarthy, Miller and Cockill off the list, Harrisburg will have few star players who are likely to be back because of the salary limit. There is a bunch of youngsters which Harrisburg has a string to, and their names will go in with the reserve list.

York fans are anxiously awaiting some definite word as to the Tri-State limit. In a letter to a York fan, President George Graham has offered his services to help York build up an association, and secure a team for next year.

Les Mann May Jump; Gaffney Says Go Ahead

Special to The Telegraph. Boston, Mass., Jan. 28.—Outfielder Les Mann, of the World's Champion Braves has threatened to jump to the Federal and President J. E. Gaffney, of the Boston National League Club, has told him to go ahead and has assured him that the Braves wouldn't stand in the way of bettering his position. This in substance was the upshot of a telephone conversation the Braves' owner had to-day with Mann. When Mann found that President Gaffney didn't intend raising his original offer one penny, he said that he might jump to the Federals. Gaffney said:

"All right, go ahead, you can think it over and do what you think best. If you want to go to the Federals, all right. And it is the same if you sign with the Braves."

President Gaffney was asked what he thought of the chances for the baseball this coming season. He said: "Tough, tough. All of the owners and managers are talking of retrenchment. We have simply got to cut down the expenses. There is no telling how long this Federal League business will last, and while it lasts we will be losing money as well as the fans."

Wherever there was a remonstrance and evidence the license was refused, and the court refused a number without remonstrance. Berwick and West Berwick, with twenty-nine licenses, will be altogether dry after Saturday, the court refusing every license in those two boroughs, including the St. Charles and Morton Hotels, two of the best-known hotels in Central Pennsylvania. Catawissa lost all five of its licenses and Orangeville is also dry by the loss of its two licensed hotels. Territorially virtually half the county is absolutely dry. President Judge Evans and Associate Judge Hawk adhered to their expressed determination of last year and not a restaurant, including five in Bloomsburg, was licensed. Associate Judge Rhodes dissented in the refusal of twenty-three licenses.

With scenes taken at Cornell University, and with the assistance of many of the Cornell boys, also Miss Beverly Bayne, it is a touching romance which is beautiful, but full of sadness. White hopes to be able to resume training within the next three weeks and be able to meet Walsh in Milwaukee on February 26. BUSY SESSION FOR CENTRAL LEAGUERS

Frank A. Stees.

Central Pennsylvania Baseball League representatives expect a busy session to-night. Every club on the circuit will be represented at the meeting to be held at the Paxtang Hook and rooms, North Ladder company's front street, Steelton. Following presentation of reports covering last season, plans will be taken up for next season.

The admission of four more towns, in the opinion of the majority of the representatives, would bring additional interest in the game. There would be less opposition from independent teams is the belief, and the crowds would be larger. The names of the four towns seeking admission were not given, but it is said the locations are very desirable and easy of access. The re-election of Frank A. Stees as president and John M. Donovan, secretary, is said to be a certainty.

Special to The Telegraph. Philadelphia, Jan. 28.—According to Dr. Carl S. Williams, who will represent the University of Pennsylvania at the annual meeting of the Intercollegiate Football Rules Committee to be held to-morrow in New York, the Quakers will have no important recommendations to make for amending the rules.

However, Pennsylvania's representative is opposed to the plan suggested by Parke H. Davis, of Princeton, to provide a penalty against a team when a player on the kicking side stops the forward progress of a punted ball inside the 20-yard line to prevent the opposition getting a touch-back.

PRESIDENT TENER ON THE JOB

Visits Philadelphia and Talks Over Several Baseball Deals. Philadelphia, Jan. 28.—President John K. Tener, of the National League, visited the Phillies' headquarters yesterday for a short talk with President Baker before the latter went to New York. It is believed the various deals the Phillies have on for players with New York, Boston and Cincinnati were gone over by the officials. The New York and Boston deals cannot be closed until the players wanted by the Phillies agree to sign contracts. Probably they are waiting until Judge Landis renders his decision in the anti-trust suit.
