## 'FARMERS' DAY' AT MILLER TABERNACLE

Address by Prof. Surface and Powerful Sermon by Evangelist Miller

Special to The Telegraph

Mechanicsburg, Pa., Jan. 29.—Yesterday was one of the biggest days in the Miller evangelistic campaign, and known as "Farmers Day," when people from the outlying districts came in large numbers, bringing lunch along. At noon the tables were spread in the tabernacle, and coffee was served by committees from the various churches. An interesting feature of the morning was the address of Professor H. A. Surface, "God's Laws and the Farmers' Faith." The Chautauque program in the afternoon was enjoyable and included a trombone and vocal solo by Professor Hohgatt, recitation by Eugene Miller, concert of the United String and a vocal duet by Mrs. H. A. Surface and Miss Maude Cree. This was followed by a sermon, "Sowing and Reaping" by the Rev. Mr. Miller. Five persons came up the trail in response to his invitation. Delegations from Shepherdstown and Lucknow were present last evening and the Rev. Mr. Mower, pastor of the United Brethren Church in the former place, led in prayer. A large basket of great, rosy-cheeked apples were presented to the evangelistic party by the Shepherdstown people. The electric cross

was shown again, while the choir sang "Rock of Ages." Several new songs were introduced and the music, as usual, was a great attraction. Just preceding the sermon, the evangelist asked for persons who requested prayer for loved ones to signify their desire. Immediately all over the vast audience, people stood and preferred requests. The sermon was delivered by Evangelist Miller on "God's Love" with the text, "Thy Love to Me was Wonderful." People of their own accord at the appeal of the evangelist, hastened up the trail. The first to respond was Mr. Jenkins, custodian of the tabernacle, and had the evangelist, was in tears. A Sunday school teacher from Bowman'sdale led three scholars and a boy of eight years led an old man, amid the cheers of joy. On their way, until thirty-six were enrolled for Christ yesterday. This evening will be lodge night, when a number of organizations from town will be present in a body.

Diehl is considered to be one of the best centers in this part of the State.

## MULE GOES MAD

New Cumberland, Pa., Jan. 29.—All the dogs in Horse Valley, Toboyne township, have been shot on account of a mule scare. ### PERRY COUNTY HAS BIG TRAMP PROBLEM

Twenty-nine Taken to New Bloomfield Jail in One Night

Special to The Telegraph  
Marysville, Pa., Jan. 29.—Perry county has been much bothered by the tramp question during the past few weeks, and various plans are being advocated for eliminating the trouble. One night this week, 29 of the weary wanderers spent the night in the county jail at New Bloomfield. Several nights ago, a tramp entered a large frame barn in New Bloomfield, belonging to Charles H. Snyder and deliberately kindled a fire. The fire was soon discovered and extinguished before any damage was done. A chase was given and the tramp, who gave his name as Thomas Meade, was captured. He was taken before Justice of the Peace Wright, who committed him to the county jail to answer the charge of arson. At Duncan, it is almost a daily occurrence to see Railroad Policeman Crogan take a two-horse load of trespassers to the county jail. On their way to New Bloomfield, the tramps usually refer to Crogan as "Our Friend Crogan," and seem highly elated over their good treatment.

## On Parole, Marries, Now He's Before Judge Again

Among the anxious paroled defendants who appeared before President Judge Kunkel in suspended sentence court this morning was Wilson Potteiger, who has figured more or less in court calendars for many moons. He first got into the limelight a year ago when he had to answer to a charge of abducting a criminal operation upon a young girl. He pleaded ignorance of the enormity of his offense and was paroled. Without informing the parole officer, a few months later he deserted the young wife. Since then, it is said, he has gone about quite a bit with other girls. To-day President Judge Kunkel issued an ultimatum. In brief, it was to the effect that Wilson must hunt up a job, work at it, stay at home with his own wife and support her—or be sentenced at March court to a term in jail.

**Wants Osteopathy College Charter; Court Fixes Feb. 20 For Hearing of Case**

Quo warranto proceedings against the Philadelphia college and infirmary of Osteopathy, 132 Pine street, Philadelphia, were begun in the Dauphin county court to-day when Attorney General Francis Shunk Brown obtained a writ on behalf of the State requiring the Philadelphia institution to show upon what authority it is exercising its powers and privileges inasmuch as it has made no effort to comply with the provisions of the act of 1895 under which it was chartered, that the college be ousted of its charter and that a receiver be appointed to wind up its affairs. President Judge Kunkel fixed February 20 at 10 o'clock for the hearing.

**DIETING TO KEEP WELL**

Some people are born with a tendency to certain diseases. What they eat either aggravates this condition or tends to correct it.

Anybody can see the importance of a proper diet, but human beings, unlike the lower animals, lack the instinct that tells them what to eat and what to avoid.

It is a fact that proper diet and a good tonic will keep people well under most conditions and restore them to health except in acute diseases where the need of a physician is imperative.

Start to-day by writing to the Dr. Williams Medicine Co., Schenectady, N. Y., for a copy of the diet book, "What to Eat and How to Eat." It is full of useful information and describes the tonic treatment with Dr. Williams' Pink Pills for indigestion, nervous dyspepsia, for those conditions of flatulency or gas on the stomach, discomfort after eating, caused by lack of tone in the digestive organs. Dr. Williams' Pink Pills supply the stomach with well-oxygenated blood without which good digestion is impossible. Dr. Williams' Pink Pills are a non-alcoholic tonic and are free from poisons.

A short course of treatment with these pills will show in an improved appetite, better digestion, refreshing sleep and quiet nerves. Your own druggist sells Dr. Williams' Pink Pills.—Advertisement.

**Poor Directors Boyer and Walters Out of Harmony About an Hour**

Lack of harmony a plenty now exists in the County Poor Board. President Harry A. Walters and Charles L. Boyer, his fellow-director, are all out of tune. The false note was struck this morning about—guess what?

An extra hour!

It appears that Mr. Walters out of the kindness of his heart sent a couple of carpenters out to the almshouse to do some repairing. They breakfasted and dined there and took a whole hour for the "line out." However, they charged the hour along with the day's work and put in a bill for ten hours. Mr. Boyer was horrified and said so. A bill for ten hours' work when they only worked nine! And under the Walters-Boyer dynasty! Amazing! When the tale leaked out a wondering courthouse could scarcely believe its ears.

So the bill was laid over and to-day Director T. S. Manning kindly came to the rescue and suggested that payment be held up pending an investigation.

**Soft, Fluffy Hair Always Aids Beauty and Charm**

Girls and women of all ages want to be charming, beautiful and attractive—it's their birthright—but stringy, thin and lifeless hair destroys half the beauty of a pretty face. It will go right to the hair roots, nourish them, and stimulate the hair to grow strong and luxuriant. Parisian Sage removes dandruff with one application and cleanses the hair of dirt, dust and excess oil. It will cool and invigorate the scalp and make the hair doubly beautiful. Parisian Sage is a scientifically made preparation that gives the hair just what is needed to make it soft, fluffy, thick and gloriously radiant. It is delicately perfumed; is inexpensive, and can be had at all drug and toilet counters or from H. C. Kennedy.—Advertisement.

**Help the Stomach Digest Your Food**

When the stomach fails to digest and distribute that which is eaten, the bowels become clogged with a mass of waste and refuse that poisons and gradually forced into the blood, causing distress and often serious illness.

Most people naturally object to the drastic cathartic and purgative agents that shock the system. A mild, gentle laxative, positive in its effect and that will give relief without constipation, is Dr. Caldwell's Syrup Pepsin, sold by druggists at fifty cents and one dollar a bottle. It does not gripe or cramp, but acts easily and pleasantly, and is therefore the most satisfactory remedy for children, women and elderly persons. For a free trial bottle write to Dr. W. E. Caldwell, 452 Washington St., Monticello, Ills.

**COCOANUT OIL MAKES A SPLENDID SHAMPOO**

If you want to keep your hair in good condition, the less soap you use the better.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified coconut oil (which is pure and entirely greaseless), is much better than soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulsified coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.
