Fight Will Continue for Years

Asked when the war would end, Mr. Cobb declared he didn't know, but pressed the belief that the struggle would go on for years. He also declined to say that any particular country had started the war and simply that this was purely an anti-commercial struggle. "It was started for the very same reason," he declared, "that every other fight was started since Cain killed Abel."

Entertained by Newspapermen

Following the lecture Mr. Cobb was the guest of H. Lindley Hosford, secretary to State Health Commissioner Dixon, at a round table session in the Harrisburg Club. Newspaper friends of Mr. Hosford from this and other cities filled the other places.

Had Tuberculosis of Glands—Now Well

Glandular Tuberculosis has yielded to Eckman's Alternative when other operations in a hospital failed to benefit me. In the meantime a friend of mine advised Eckman's Alternative. The wounds in my neck were still open and in a frightful condition when I started to take it. After using two bottles I found I was improving, having gained weight, could eat, and was able to sleep. I continued using it until I was well, on November 11, 1910. I started to work, and since that time have not lost one day's work through sickness. I highly recommend Eckman's Alternative to any one who is suffering from Tuberculosis. (Abbreviated) JOSEPH B. WHITE, Eckman's Alternative is most efficacious in bronchial catarrh and severe throat and lung affections and rebuilding the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Small size, \$1; regular size, \$2. Sold by leading druggists. Write for booklet of testimonials. Eckman Laboratory, Philadelphia. Advertisement.

DROPSY TREATED FREE

Dr. Miles, the Great Specialist, Sends a New \$3.75 Treatment Free as a Trial. Many Have Been Cured After Doctors Failed.

At first no disease is apparently more baneful than dropsy. It is the swelling of the eyelids, hands, feet, ankles or abdomen. Finally there is great shortness of breath, faint spells, sometimes nausea and vomiting, even bursting of the limbs and a lingering and wretched death if the dropsy is not removed.

Dr. Miles has been known as a leading specialist for over 35 years. His liberal offer of a \$3.75 treatment free to all sufferers is certainly worthy of serious consideration. You may never have such an opportunity again.

The Grand Dropsy Treatment consists of four dropsy remedies in one, also Tonic Tablets and Pura-Laxa for removing the water. This treatment is specially prepared for each patient and is ten times as successful as that of most physicians. It usually relieves the first day, and removes swelling in six days in most cases. Delay is dangerous.

For Remarkable Cures in Your State

All afflicted readers may have Book, Examination Chart, Opinion, Advice, and a Two-Pound Trial Treatment free. Write at once. Describe your case. Address Dr. Franklin Miles, Dept. DA, 325 to 335 Main Street, Elkhart, Ind.—Advertisement.

No Immediate Action on Threatened Deficit

By Associated Press
Washington, D. C., Jan. 29.—Administration leaders will take no immediate steps to meet the threatened deficit in the government's revenues. Their plans today were to follow out the decision of yesterday's conference between President Wilson, Cabinet members and congressional leaders, at which it was determined there was no pressing need for legislation to increase revenues.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brew Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Advertisement.
