PRESIDENT WILSON TO SEEK RENOMINATION

SINCE TAKING PERUNA

Mrs. William H. Hinchliffe, 20 Myrtle St., Beverly, Mass., writes: "I have taken four bottles of Peruna, and I can say that it has done me a great deal of good for catarrh of the head and throat. I recommend Peruna to all sufferers with catarrh. I do not think I ever felt much better. I am really surprised at the work I can do. I do not think too much praise can be said for Peruna."

Those who object to fluid medicines can now procure Peruna Tablets.

Hot Tea Breaks a Cold—Try This!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless. — Advertisement.

HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle, this 50 cent recipe, ready to use, for about 50 cents recipe. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it "arakens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.—Advertisement.

Bituminous Coal All Kinds

For Steam, Blacksmith or Domestic use. We can furnish you run of the mine or screened Bituminous Coal.

With Bituminous coal the big thing to look for is quality. Price really should be the least consideration.

One mine owner sells his coal for one price and another operator will ask a different figure.

Generally the man who does not have many orders will put his price down in order to get some business. This is an indication that something is wrong with the quality because a good grade of Bituminous Coal will bring a good, steady price.

We have gone to considerable trouble to select the kind we handle and it will be worth your while to get in touch with us.
