Cassoli in this city, where she is exceedingly popular and it will be a pleasure to welcome her here again. Mr. Wittropson sang here for the Wednesday club in 1906 prior to making his debut with the Metropolitan Opera company. His magnificent voice will be a real treat to music lovers of the city.

All classes of members may attend this concert in presentation of their membership tickets. Nonmembers may attend over the payment of a small fee.

"Scraps of Paper" Helps Pay For Hill Church

Few old newspapers are seen fluttering in the wind these days, for the 250 members of the Men's Bible Class, Church, Fifteenth and Derry streets, are saving all their old papers with a view to selling them to raise money for the Easter fund.

In years gone by the old papers saved have brought in hundreds of dollars to the class, and many a stone in the big edifice at Fifteenth and Derry has been laid with "scraps of paper."

O. K. Kines, president of the class, has appointed the paper committee for 1915.

The committee has three chairmen: Edward L. Sterling, S. H. Albright, E. R. Snyder, and F. W. Jenkins. Frank L. Hoeker, Arthur Smolizer, Ed. C. Strickler, G. W. Thomas, J. E. Hoover, G. W. E. Koons, Garber Williams, D. B. Mark, P. G. Brennehan, G. E. Henry, D. B. Mark, P. G. Brennehan, George M. Stauffer, H. B. Strickler, H. C. Rupp, H. Archie, T. M. Pargen, L. Bangert, E. Bangert, J. P. Zellers, W. H. Whitmoyer.

300,000 NONCHURCH MEMBERS IN UNITED STATES

The Rev. J. S. Armentrout, assistant pastor of Pine Street Presbyterian Church, spoke last night on "Missionary Task before a class of mission students."

He said there are 300,000 persons in our country more than 18 years old, including Indians, mountaineers, negroes and immigrants, who are not church members. He said that 100,000 of these are missionaries in Mexico, South America, Africa and Asia, where at least 400,000,000 people, he said, are in darkness.

DIET OF THE ANCIENT ATHLETES

The actual diet used by the ancient Greek athletes consisted of a certain kind of cheese, specially prepared from goats' milk. Later on a flesh diet was introduced. The Romans in the early stages of training, utilized a vegetarian form of diet, consisting of dried figs, new cheese, and boiled grain. Later on, meat was added to the list, but only one sort of flesh was thought suitable, and that, curiously enough, was pork, an edible absolutely banned by most modern trainers. Galen most firmly maintained that pork contains far more nutriment than any other flesh food. It certainly is a very significant fact that the ancient athlete competing for a wreath were forced, when in training, to live upon anything else but pork for any one meal. The mental faculties were, therefore, seriously impaired.—Webster in the February Strand.

AVERAGE OF 144 EGGS PER YEAR

In the current issue of Farm and Fireside appears an interesting account of three American egg-laying contests. In the following extract appears a statement of some of the results:

"The unusually severe winter in Connecticut with frequent periods when the mercury was far below zero gave the wintering hens a serious setback in their winter production. Many excellent records were broken, but the aggregate of eggs laid was considerably less than otherwise would have been the case. The average production for the 82 hens (10 hens to the pen) was 144 eggs."

THE HEADACHE OF NERVOUS EXHAUSTION

A feeling as of a tight band about the head is often felt in addition to the pain of a headache. It is caused by nervous exhaustion. The ache is generally in the back of the head, rarely in the forehead, and is often accompanied by dizziness.

The way to stop this sort of headache is to stop the cause of it. Overwork, worry and failure of the blood to properly nourish the nerves are the most common causes. Rest and a tonic for the blood and nerves will cause the headache to disappear in most cases.

Dr. Williams' Pink Pills are an effective tonic for building up the blood and strengthening the nerves. They furnish just the elements that the blood needs to build up the nerves shattered by overwork, worry, overeating or excess. You cannot always rest from school, office or housework when circumstances require but you can always take a tonic that will maintain the strength of blood and nerves. Dr. Williams' Pink Pills are just the tonic required.

Mention this paper and we will send you a booklet, "Diseases of the Nervous System" free. Address: Dr. Williams Medicine Co., Schenectady, N. Y. All druggists sell Dr. Williams' Pink Pills.—Advertisement.

To Quickly Remove Ugly Hairs From Face

(Beauty Notes)

Beauty-destroying hairs are soon banished from the skin with the aid of a delicate paste, made by mixing some water with a little plain powdered delatone. This is spread upon the hairy surface for 2 or 3 minutes, then rubbed off and the skin washed to remove the remaining delatone. This simple treatment banishes every trace of hair and leaves the skin without a blemish. Caution should be used to be certain that it is delatone you buy.—Advertisement.

THE FATHERLAND
Where is the true man's fatherland?
Is it where he by chance is born?
Both not this charming spirit scorn
In such scant borders to be spurn?
Oh, yes; his fatherland must be
As the blue Heaven wide and free!

Is it alone where freedom is,
Where God is God and man is man?
Doth he not claim a broader span
For the soul's love of home than this?
Oh, yes; his fatherland must be
As the blue Heaven wide and free!

Where'er a human heart doth wear
Joy's myrtle wreath or sorrow's
Swoes,
Where'er a human spirit strives
After a life more true and fair,
There is the true man's birthplace
grand,
His is a world-wide fatherland!

Where'er a single slave doth pine,
Where'er one man may help another—
Thank God for such a birthright,
brother.

WOMEN IN VIENNA
Vienna, Jan. 30th: Everybody does their duty for the endangered fatherland. The poor woman on her way to factory contributes her mite to the collection boxes. The rich women open their parlors, bedrooms and kitchens to the wounded officers and soldiers. Not only do the women of Austria, France, England, Germany suffer from war's depredations, but the women in America are everyday suffering from the many ills that women are heir to.

The diseases which weaken and torment women, may in almost all cases be cured by the use of Dr. Pierce's Favorite Prescription. It establishes irregularity, heals inflammation and ulceration, and cures womenly weakness.

Every woman who has reason to believe that her backache, headache, unnatural pains, low spirits, sleepless nights, irregularities or a catarrhal condition is caused by a derangement of the womanly functions, owes it to herself and dear ones to speedily overcome the trouble before a general breakdown causes permanent prostration.

Dr. Pierce's Favorite Prescription is a temperance remedy that any ailing woman can safely take because it is prepared from roots and herbs with glycerine containing tonic properties and is not a secret remedy because its ingredients are printed on wrapper.

Get Dr. Pierce's Favorite Prescription to-day, either in liquid or tablet form, at any dealer in medicines, if you want to better your physical condition surely and speedily. Every ingredient in "Favorite Prescription" is printed along with the directions. If you want a specialist in women's diseases to diagnose your case, consult Dr. Pierce by letter, correspondence private and confidential, address Dr. Pierce, Invalids' Hotel, Buffalo, N.
