POSITIVE RELIEF FOR CONSTIPATION

The progress of modern medical science is, perhaps, no more forcefully evident than in the simplifying of many of the old time remedies of past generations. For instance, the harsh cathartics and violent purgatives used by our forefathers to relieve constipation are now known to be not only unnecessary but really harmful. Constipation can be more effectively relieved without the discomfort and pain these old-time remedies occasion.

combination of simple laxativ A combination of simple laxative herbs with pepsin, sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin is most effective, yet mild and pleasant. It's absolutely free from opiates and arcotics and equally as desirable a remedy for the tiniest babe as for rugged manhood. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ills.

HEADACHE, COLDS, COSTIVE BOWELS TAKE CASCARETS

To-night! Clean your bowels and end Headache, Colds, Sour Stomach

Get a 10-cent box now.
You men and women who can't get feeting right — who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilitous, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean

a sick, gassy, disordered stomach, or have a bad cold.

Are you keeping your bowels clean with Cascarets, or merely forcing a passageway every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret to-night will straighten you out by morning—a 19-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.—Advertisement.

Beauty Prize Winner Tells of Care She Gives Her Hair

Of unusual interest to women and perhaps of as much admiration to men, is the wonderful health of glorinous hair that crowns the beauty of Miss Mary Cranston, one of the Ketth sworn three beauty prizes and in each instance there is no doubt but what her hair helped much toward winning her the honor.

Ladies who attend the Orpheum this week will likely be delighted to take a tip from Miss Cranston, for to see her hair is to make every lover of glorious tresses interested as to the methods of care she pursues.

When seen in her dressing room at the theater this morning, Miss Cranston was asked about her hair.

"Would you like to see my hair?" she said, shaking the wonderful golden mass down over her shoulders. "I always wash my hair thoroughly once a week, and just before the shampoo, I rub a small amount of vaseline into the scalp.

"I use plain castile soap for washing, and in the last rinsing water I squeeze the fuice of half a lemon. This is my own idea, and there is nothing in the world so good for imparting luster to the hair."
