How to Fight Tuberculosis

In a paper read last year before the Bexar County Medical Society and published in part in the Louisville "Medical Progress," Dr. J. W. Carhart, of San Antonio, Texas, a physician who has devoted much time to the study of tuberculosis, said: "Since lime salts constitute three-fourths of all the mineral substances of the human body, it must be found in all food, supplemented in mineral preparations, or natural starvation causes with tuberculosis unchecked. The widespread and unchecked spread of tuberculosis and other preventable diseases is due largely to the defective (lime lacking) conditions of multitudes throughout the civilized world."

Thus from another authoritative medical source comes justification for the use of lime in the treatment of tuberculosis. Since this is one of the ingredients of Eckman's Alternative, much of the success attending the widespread use of this remedy doubtless is due to the combination of this salt in such a way as to render it easily assimilable. It causes no stomach disturbance, and since it contains neither opiates, narcotics nor habit-forming drugs, it is safe to try.

Eckman's Alternative has effected remarkable results in numerous cases of pulmonary tuberculosis (consumption) and allied chronic affections of the throat and bronchial passages. In many instances such conditions, apparently, have yielded completely to it. In case your druggist is out of it, ask him to order, or send direct to us, Eckman Laboratories, Philadelphia.

Invitation to W. C. T. U. to Hear "Booze" Sermon by Evangelist Miller

Special to The Telegraph. Mechanicstown, Pa., Feb. 5.—The Woman's Christian Temperance Union of Harrisburg is cordially invited to Mechanicstown on Sunday afternoon, when Evangelist Miller will preach his famous "Booze" sermon at 2 o'clock. The unions will meet in the Methodist Episcopal Church and march to the tabernacle at 1:30 o'clock. When the Rev. Mr. Miller preached this sermon two weeks ago it attracted and held the interest of almost 2,500 men, the largest gathering of its kind ever known in this place. Results were shown the following day when a number of men reconsidered having signed liquor licenses and sent word to Carlisle to have their names removed.
