HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets
If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—lazy, no good feeling—you should take Olive Tablets.
Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.
Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.
If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.
Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.
They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists.
Take one or two nightly and note the pleasing results.
