#### What Comparison Means to This February Furniture Sale

N the first announcement, we spoke of this sale as one ¢Π of a different kind that has ever gone on record; we invited comparison, because we wanted the public to be **202** the judge-and the sale has "made good."

Instead of a clearance event, you are presented with absolutely new furniture, and of the best grades obtainable. Because of large orders placed with various makers, we secured a concession in price which accounts for the splendid values.

Above all, we want you to know of the high standard of workmanship and design that characterizes this entire showing. Even in lower priced pieces, the same careful attention has been given to details.

Time and again, folks have visited our Furniture Floor; have gone away and made comparisons; and returned fully convinced of the better assortments and greater values.

An example of newness and handsome design is shown by a four-piece Sheraton mahogany Dining Room Suite, including buffet, china closet, serving table and extension table. Or-dinarily you would pay \$134. During the Februarv Sale, it is 

ferent finishes, in bureaus, chiffoniers and Princess dressers-

Tomorrow We Will Place on Sale 114 Pairs of Wool Blankets at About Half Regular Price

A bit of good fortune came our way when we secured these 114 pairs of wool blankets from the Susquehanna Woolen Mills -all they had of this grade-and at such a low figure that we can offer them at

## \$2.69 Pair

Which is just about half their regular price. Blankets of this grade sell right along at \$4.00, \$4.50 and \$5.00 pair.

This should be an incentive for every housewife to stock up with one or two pairs, but we advise you to be on hand among the first one hundred. Yesterday quite a number seeing the piles, were delighted at the exceptionally fine quality and attractive patterns. but in order to give all an equal chance, they will go on sale to-morrow morning at 8 A. M.

There is nothing to prevent these from passing as perfect . blankets, except that in some instances the design is sightly mismatched in one or two places, and occasionally a single thread . has been broken during manufacture.

All good patterns, including plain white and gray. Plaids also in red and black, white and black, white and gray, white and tan, white and blue, and white and pink. All full bed size.

All at one price tomorrow \$2.69 pair.
