Mothers should watch closely the condition of their children's bowels and see that they are regular. A mild, pleasant tasting laxative such as Dr. Caldwell's Syrup Pepsin, is ideal for children because of its natural composition and gentle action, and because it cantains no opiate, narcotic or other harmful habit-forming drug. Dr. Caldwell's Syrup Pepsin is sold by druggist's everywhere. A teasponful at bedtime will bring easy, certain relief.
