CHICKEN THIEVES DISTURBING PEACE

Dauphin Farmers and Poultry Fanciers Waiting For Marauders With Guns

Special to The Telegraph. Dauphin, Pa., Feb. 12.—Chicken thieves have been destroying the usual peacefulness and harmony of Dauphin lately. On Sunday and Monday night chickens were stolen from the yards of David Hoffman, Miss Margaret Robinson and the Misses Gayman. Although nothing was seen of the thieves, broken locks and empty chicken houses were found. The whole town is on the lookout for the thieves and the village farmer and chicken fancier is watching vigilantly with a gun under his arm and one eye open.

STAMPS FLAG: LOSSES TRADE

Sunbury, Pa., Feb. 12.—Loss of business, after a Greek clerk thoughtlessly trampled an American flag under his feet in a store here a year ago, is the unusual cause given for the failure of the Sunbury Candy Kitchen Company, a firm of Greeks, which business was given into the hands of John W. Bassler, assignee. The assets are \$2,000, with liabilities of \$3,290.

Quickly Relieves Without Distress

The congestion of waste and refuse in the stomach, fermenting in the bowels, generates poisonous gases that occasion distress and invite serious illness. Health and comfort demand that this congestion be speedily relieved and the foul mass expelled. The well-founded objection most people have to the violence of cathartic and purgative agents is overcome by using the combination of simple laxative herbs with pepsin that is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. A dose at night brings relief next morning, without discomfort or inconvenience. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ill.

WORK MOVES RAPIDLY ON RIVER FRONT FILL

Park Commissioner Taylor is showing much energy in the rough filling of the river embankment north of the "Hardscrabble" district. Last summer there was a question as to whether sufficient filling material would be available and after a conference between Commissioner Taylor and the city's landscape architect, Warren H. Manning, of Boston, it was decided to create a depressed walk in that section of the front as the best form of treatment. Late in the fall some work was done on this walk in the vicinity of Munich street, but subsequently when Commissioner Taylor found it possible to get filling material from the excavation for the union freight station he abandoned the depressed walk plan and proceeded to fill out a width sufficient to provide a walk on a level with the street beyond the western curb line. The change was a disappointment to many people in view of the fact that

the depressed walk involved certain features of planting and public use which were particularly attractive. Under the Manning plan there would have been a fringe of short hedge along the western curb and a short terrace to the walk covered by matronly vines. The walk would have been sufficiently below the level of the street to provide privacy for those sitting upon the benches or walking along the front and would have been a safeguard for children.

7,000 Tons of Fill

To date approximately 7,000 tons of earth have been dumped over the embankment north of "Hardscrabble" under the direction of the park department. This dirt is being hauled to the point by great motor trucks from a prominent place in front of the excavations on the site of the proposed Pennsylvania freight station in South Second street. Commissioner Taylor has planned to begin the planting of shrubbery and vines in front of the treatment of the river slopes just as soon as the weather permits.

"As soon as the frost is out of the embankment," said he, "this, of course, will be followed by the planting. The planting scheme includes the setting out of shrubbery, matronly vines and barberry bushes in such a way as to provide support to the slopes and help beautify the embankment at the same time."

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

If feverish, bilious, constipated, give fruit laxative at once

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, indigestion, diarrhea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love the harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet. Keep it handy, Mother! A little given to-day saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.—Advertisement.

Mors Says It Was His Duty to Kill Old Men

New York, Feb. 12.—While on his way from Bellevue Hospital to the West Chester county jail in White Plains on a warrant charging him with the murder of Henry Horn and others, "aged inmates of the German Odd Fellows Home, Frederick Mors made a statement yesterday in which he said that "I considered my actions and then decided that it was my duty to put those old men and women out of their pain, their suffering and the horrors of the long sleepless nights." Mors has just been declared "mentally unwell" by the Bellevue Hospital alienist and now awaits the action of the grand jury as the first step in a move to inquire into his sanity.
