Got to Go Deep to Cure Rheumatism

Liniments Help Locally, But the Disease is Way Down Inside.

To get at the source of rheumatic pains it requires the deep, searching influence of S. S. S., the famous blood purifier. Rheumatism is primarily a blood disease, that since it is in this vital fluid that rheumatic tendencies are carried, lodged in the joints and muscles, there to irritate the nerves and produce pain. And in order to drive out these pain-inflicting poisons it requires S. S. S. to sink deep into the tiny glands imbedded in the innermost tissues. S. S. S. travels wherever the blood goes and never loses its medicinal influence. This explains why it overcomes the most chronic forms of rheumatism, why it dissolves those hard deposits that thicken the joints, for it acts as a solvent and assists the blood to provide in the tissues those natural elements for which the body-building process continually craves and must have. If you have never used S. S. S. for rheumatism, get a bottle today of any drugist. Use it as directed and with some simple home helps you will soon detest the worst and most painful forms of rheumatism. Write the medical department, The Swift Specific Co., 63 Swift Bldg., Atlanta, Ga., for additional advice. Yours may be a case where a slight help from a specialist whose advice is free, will solve the mystery that has been making life miserable for you. When you ask for S. S. S. insist upon it and refuse all substitutes.

We'll Catch That Cold when you exchange 25 cents for a bottle of our cough remedy. We guarantee to catch that cold of yours. Relieves light colds instantly and never fails to overtake bad ones. Its name is Tar-Tolu and White Pine Cough Syrup 25c per bottle FORNEY'S DRUG STORE 426 Market St.

Why Not Arrange to have flowers sent daily to your sick friends? We make both the flowers and the price attractive.

ITCHING ECZEMA COVERED ENTIRE BODY, RESINOL CURED Could Not Sleep. 8 Remedies Had Failed. Resinol Stopped Itching Immediately Boston, Mass., Aug. 11, 1914. "My entire body, even my eyelids, was completely covered with blisters as large as a pea. When one would burst water would come from it, and then it would turn into a very painful sore. The burning and itching were something terrible, and I COULD NOT SLEEP nor rest. I think I had one of the worst cases of eczema a human being ever had. "I used eight different kinds of remedies without success. I then tried Resinol Ointment and Resinol Soap and it stopped the itching IMMEDIATELY. I gradually noticed a change for the better. Now I am entirely cured, and am without a pimple or blemish on any part of my body." (Signed) Edward F. McCullough, 219 River street, Mattapan, Resinol Ointment and Resinol Soap are sold by all druggists. For samples, free, write to Dept. 6-R, Resinol, Baltimore, Md.—Advertisement.

Your Life May Depend on Your Wearing Proper Glasses Some of the fatal Automobile Accidents might not have occurred if the victims had worn proper glasses. Poor eyesight means confusion on crowded streets. Why run risk when you can get your Eyes Examined Free and the right Glasses as Low as... Our prices are always the smallest. Let us Help You Plan a Trip to CALIFORNIA The Best of Everything to the Expositions Call on or address D. M. Davis, G. A. Chicago & North Western Ry. 1020 Chestnut Street Philadelphia, Pa.

"The Meat of the Future" will not be the Belgian hare or the Angora goat. It will be the whole wheat grain prepared in a digestible and palatable form. The best "meat," made by the best process ever discovered, is

Shredded Wheat

It contains more nutriment, pound for pound, than meat or eggs, is more easily digested and cost much less. The best cure for liver and uric acid troubles is a meatless diet. Make Shredded Wheat your meat for ten days and see how much better you feel.

Two Shredded Wheat Biscuits, heated in the oven to restore crispness, served with hot milk or cream make a complete, nourishing, satisfying meal at a total cost of five or six cents. Also delicious with fruits. TRISCUIT is the Shredded Wheat Wafer, eaten as a toast with butter or soft cheese, or as a substitute for white flour bread or crackers.
