### Guests of Miss Jones Play Progressive Hearts

A merry crowd of the younger set had a very enjoyable time last evening at the home of Miss Ivy L. Jones, 329 Crescent street, which she entertained at a "progressive heart party." Prizes were awarded to Dorothy E. Stewart and J. Donald Carpenter. The card room and dining room were decorated with hundreds of hearts, cupid and darts, carrying out a color scheme of red and white.

A dainty supper was served by Mrs. L. M. Jones, assisted by Mrs. H. F. Anthony. The place cards were red hearts and the centerpiece red candelabra and ferns, while Cupids hanging from the chandelier holding the fortunes of the guests made a very pretty effect. Music and dancing followed supper.

### Greatest of All Human Blessings

The most wonderful thing in the world is love expressed in the helpless infant. And among those aids and comforts for expectant mothers is the well known "Mother's Friend."

This is an external application to enable the abdominal muscles to become more pliant, to expand naturally without undue pain from the strain upon cords and ligaments.

In almost every settled community are women who have enjoyed the blessing of this famous remedial and helpful embrocation. Their daughters have grown up to learn of its splendid assistance.

Applied as directed upon those muscles involved it soothes the fine network of nerves with which all the muscles are supplied. Thus a great share of the pains so much dreaded may be avoided and the period of expectancy passed through in ease and comfort.

Anything that adds so much comfort must be counted as a blessing indeed. In a little book sent by mail much useful information is given to inexperienced mothers. It tells how to use "Mother's Friend" and how to avoid aching breasts. Get a bottle to-day and write for book to Bradfield Regulator Co., 407 Lamar Bldg., Atlanta, Ga. Be sure you get "Mother's Friend."

### AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.
