Says Indigestion Results From an Excess of Hydrochloric Acid

Undigested food delayed in the stomach decays, or, rather, ferments he same as food left in the open air, says a noted authority. He also tells is that Indigestion is caused by Hyper-teldity, meaning, there is an excess of ydrochloric acid in the stomach, which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach nuch like garbage sours in a can, forming acrid fluids and gases which nilate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the cliect, we belch up gas, we erucflate the stomach like a toy balloon, hen we feel a heavy, lumpy misery in the chest, we belch up gas, we eruc-ste sour food or have heartburn, flat-

ate sour food or have heartburn, flat-lence, water-brash or nausea.

He tells us to lay aside all digestive ids and instead get from any phar-nacy four ounces of Jad Salts and ake a tablespoonful in a glass of rater before breakfast and drink chile it is effervescing, and further-nore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, re-nove the gas-making mass, start the liver, stimulate the kidneys and thus

ices. Jad Salts is inexpensive and is made om the acid of grapes and lemonice, combined with lithia and sodium hosphate. This harmless salts is used thousands of people for stomact ouble with excellent results.—Advergement.

HEAD NOISES

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected a comple's cure after other treatments have failed. Sufferers who could scarcely hear a watch tick tell how they have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear.

Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you will have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Take one tablespoonful four times a day. Parmint is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian plays and the results it gives are neally always quick and effective.

Every person who has catarrh in any form should give this recipe a trial and free themselves from this destructive disease.—Advertisement.

There are two wonderful Expositions in Caiifornia this year and railroad rates will be much reduced. You can get the most out of your trip to California by including the marvelous ride through Colorado and Utah on the way out. There are several ways of taking it all in, but only one best way, without extra expense and inconvenience.

Everybody knows that the Burlington Route (C., B. & Q. R. R.) is the standard, highly equipped "On Time" railroad to Denver: but I want to tell you in particular about our through service to California, passing in daylight, Denver, Colorado Springs, Pike's Cak, Pueblo, the mareleous Royal Gand then I can tell you about coming home by way of either Glacier National Park or Yellowstone Park.

In fact I will gladly help you plan your trip and suggest the most comfortable, interesting and economical way of going and returning. That is my business and my pleasure. Will you allow me to be of use, and furnish you without charge, such pictures maps and train schedules, as will enable you to determine just, what to do. Will call on you at any time, or shall be glad to see you at my office. Write, telephone or call Wm. Austin, General Agent Passenger Department, C., B. & Q. R. R.
