marked the opening sessions of the league's annual schedule meeting here yesterday.

The tentative schedule provides for Newark to open at Baltimore, Buffalo at Brooklyn and Indianapolis and Chicago at home with St. Louis and Pitts burgh as the contending teams.

D. J. Haff, A. F. Gordon and Arthur G. Black, representing the Kansas City owners, registered at the hotel where the league meetings were held, but did not seek recognition at the sessions. The belief was expressed that a way would be found to adjust the dispute before the date set for the hearing before the Circuit Court in Chicago.

"It looks like a pretty favorable sign," said President James A. Gilmore, "when Federal clubs begin fighting for franchises. In fact, Federal affairs all around look mighty good to me for 1915."

The new rules recommended by the umpires provide for a fine of \$200 and 30 days' suspension for pitchers using the "emery ball" and would rule out of play a ball batted foul that strikes any part of the grandstand or passes into foul territory beyond first or third bases, the latter rule being designed to prevent delay.

TWO POSES OF JACK JOHNSON, COLORED CHAMPION; TELLS FRIENDS HE IS STILL IN PINK OF CONDITION

Once the big black man from abroad gets down to hard training, the results will be watched closely. Many are of the opinion that age and lack of practice has put the colored champion out of the running. Johnson says such is not the case. That he is as good a man as he ever was and as soon as he gets his work going regularly he will prove it. He realizes that it will be a hard battle when he gets up against Jess Willard, but the champion does not appear to be worrying as much about the result of the coming battle as, what will happen him when he lands.
