Baby's Happiness Depends On Health

Cross, fretful babies usually need a laxative to make them comfortable, and comfort begets happiness. Constipation is the cause of much discomfort. Mothers should watch closely the condition of their children's bowlels and see that they are regular. A mild, pleasant tasting laxative such as Dr. Caldwell's Syrun Pan. A mild, pleasant tasting laxative such as Dr. Caldwell's Syrup Pepsin, is ideal for children because of its natural composition and gentle action, and because it cantains no opiate, narcotic or other harmful habit-forming drug.
