## CHRISTIE TRACTORS TO BE RECOMMENDED

Contract For More Motor Apparatus on Tuesday

Harrisburg Industry Will Furnish Autopsy Ordered For Purpose of Combinations, Is Report; Taylor Refuses to Talk

Three motor-driven tractors of the Christie type offered by the Front will be recommended for Harrisburg's Tuesday's session of Council.

Company of this city will be recomtype. The Morton apparatus costs \$3,200 apiece.

Commissioner M. Harvey Taylor, superintendent of parks and public property, declined to discuss what he would do relative to recommendations on Tuesday other than to admit that its his intention to submit his proposals to his fellow-commissioners.

The bids for the remainder of the motor-driven fire apparatus for which Harrisburg floated a loan of \$25,000 in 1913 were opened several weeks ago, but Mr. Taylor withheld his recommendations pending thorough investigation into the merits of all the bidders. Fourteen bids in all had been received.

received.

With the purchase of three tractors and two more chemicals the city's fire department will be well equipped with motor-driven apparatus. Last Spring motor combination chemicals were provided for the Friendship and the Good Will companies. The new bids, it is understood, will provide for two tractors for fire engines and one truck and the two chemicals.

mersible rammed by the collier Thordis.

The captain of the American steamer Gulf Light, on arriving at Weser, Germany, is reported by a Berlin newspaper to have said that he witnessed the destruction of two steamers by a German submarine.

The first reports of definite effects on American trade of Great Britain's retaliatory policy against Germany came from Bremen. It is said that several American vessels which had been taking on cargoes of German goods, particularly dyestuffs, unloaded these cargoes and will return to the United States in ballast.
