DARLINGTON RAISING MONEY FOR SERBIANS
Is Chairman of Committee, Composed of Leading Episcopal Bishops of Country

The Rev. Dr. James Henry Darlington, bishop of the Harrisburg Episcopal Diocese, is chairman of a committee composed of the leading Episcopal bishops of the United States in charge of the Serbian Relief Fund which was recently organized and has already sent \$1,200 for the aid of the little war-ridden nation, that has been somewhat neglected in America's rush to help Belgium.

An effort may be made by the bishop to bring Mme. Grouitch, wife of the under secretary of foreign affairs of Serbia, to Harrisburg to take part in a benefit in the near future.

Bishop Darlington will officiate at a concert to be given next Monday night in the white and gold room of the Plaza Hotel in New York at which Mme. Grouitch will be present and Mme. Augette Foret will sing Serbian folk songs. An effort will be made to raise \$1,000 on this occasion.

Boy or Girl? Great Question!

This brings to many minds an old and tried family remedy—an external application known as "Mother's Friend." During the period of expectancy it is applied to the abdominal muscles and is designed to soothe the intricate network of nerves involved. In this manner it has such a splendid influence as to justify its use in all cases of coming motherhood. It has been generally recommended for years and years and has been used with the highest praise of the immense relief it affords. Particularly do these knowing mothers speak of the absence of morning sickness, absence of strain on the ligaments and freedom from those many other distresses which are usually looked forward to with so much concern.

There is no question but what "Mother's Friend" has a marked tendency to relieve the mind and this of itself in addition to the physical relief has given it a very wide popularity among women.

It is absolutely safe to use, renders the skin pliable, is penetrating in its nature and is composed of those embrocations best suited to thoroughly lubricate the nerves, muscles, tendons and ligaments involved.

You can obtain "Mother's Friend" at almost any drug store.

It is prepared only by Bradford Regulator Co., 401 Lamar Bldg., Atlanta, Ga.

THE MAN WITH SAND
If you're down and out—discouraged—And your very soul hangs loose, And you ask yourself the question, "Weary, heart-sick, what's the use? Just remember that you're needed, In this grim old world of ours, That you're part of it (we need you). In its sunny times and showers, And although it may seem useless, More than human soul can stand, You belong to the Creator, and the Lord loves men with sand."

"Never quit!" God hates a quitter! "Fore a smile, it's only right; The other fellows, worn and weary, Stumble in life's dreary night; And you owe them and must pay them."

Surely you can understand, That with God you must be honest And show that you have sand!

Throw aside your fears of failure; Look about you everywhere; See the fellows, sad and discouraged, Who are victims of despair, And it's up to you to show them, By the way you fight and stand, That you would desert the quitter, And back up the man with sand.

Are You a Member of the

Easier Housework Club?

The Easier Housework Club is an organization originated by us to lessen the biggest drudge of all housework—sweeping. Many people you know have joined the club. In so doing many of them have found out for the first time what it means to have a vacuum sweeper that does what it is supposed to do.

These Machines Are The REGENT Real Combination Cleaners and Sweepers

They not only remove the fine, trodden-in, dirty dirt from the fibre of the carpet but the brush action REALLY picks up every bit of scrap, thread and loose dirt, and at the same time gently freshening up the nap of the carpet.

Each has a neat case of beautifully figured hardwood in mahogany finish; trimmings heavy nicked over copper.

These wonderfully efficient little machines are made to our special order by one of the largest vacuum sweeper factories in the country. They are the equal of any \$15 machine. By the purchase of an unusually large quantity and "doing away" with all unnecessary selling expenses, such as agents' commissions, makes it possible to offer them at this low price.

HERE IS THE PLAN

By having a number of persons get one of these Regent sweepers at the same time, we are able to offer this plan:

A WEEK'S FREE TRIAL TO YOU

Use it all week, as much as you wish. If you are satisfied that it is the best sweeper you have ever seen for any price, pay for it at the club rate of \$1.00 a month until the price, \$7.00, is paid.
